A PASTOR WHO WAS BEFRIENDED BY AN EMPEROR SAVED BY PE-RU-NA

Rev. H. Stubenvoll, of Elkhorn, Wis., is pastor of the Evangelical Lutheran St. John's Church of that place. Rev. Stubenvoll is the possessor of two bibles presented to him by Emperor William of Germany. Upon the fly leaf of one of the bibles the Emperor has written in his own handwriting a text.

This honored pastor, in a recent letter to the Peruna Medicine Co., of Columbus, Ohio, says concerning their famous catarrh remedy, Peruna:

The Peruna Medicine Co., Columbus, Ohio.

Gentlemen:—"I had hemorrhages of the lungs for a long time, and all despaired of me. I took Peruna and was cured. It gave me strength and courage, and made healthy, pure blood. It increased my weight, gave me a healthy color, and I feel well. It is the best medicine in the world. If everyone kept Peruna in the house it would save many from death every year."—H. STUBENVOLL.

Thousands of people have catarrh who would be surprised to know it, because it has been called some other name than catarrh. The fact is catarrh is catarrh wherever located; and another fact which is of equally great importance, is that Peruna cures catarrh wherever located.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

ONE ROBBER LESS

EXPRESS MESSENGER USED HIS GUN INSTEAD OF OPENING DOOR.

Four Men Attempted to Hold Up Passenger Train in Colorado—Other Robbers Took the Dead Man's Body and Ran for Cover—Sheriff and Posse in Close Pursuit.

Trinidad, Colo., Nov. 20.—Four masked robbers held up a passenger train No. 7 on the Colorado & Southern road, 12 miles south of here today. One of the robbers was shot by Express Messenger H. W. Sherwick, of Fort Worth, Tex.

The robbers flagged the train, and as it slowed up they ran alongside of the engine and covered the crew with revolvers. They then compelled the engineer, John Guilfril, to alight, and, after placing a sack containing dynamite under the baggage car and attaching a fuse to the explosive they ordered Guilfril to ignite the fuse. This he attempted to do several times, but for some reason the fuse would not burn.

During this proceeding the robbers kept up a fusillade in the direction of the train for the purpose of intimidating the passengers. While they were preparing to rearrange the dynamite and fuse, Messenger Sherwick, after extinguishing the lights in his car, quietly opened a side door in the car far enough to admit a gun barrel, and fired at the nearest robber. The latter dropped in his tracks. His startled companions picked him up and quickly disappeared in the woods near by. None of the passengers were molested. The sheriff of Las Animas county immediately organized a posse and is now in pursuit of the holdups.

BOND FOR DREDGE LEASE.

Upon Its Approval by Secretary of War Work Will Be Commenced.

Washington Nov. 20.— The Port of Portland will be required to give bond beford the secretary of war will approve the contract recently made for the lease of one of its dredges for use on the Columbia and Willamette below Portland. When the contract recently made between the Port of Portland commission and Captain Langfitt was received here it was referred to the judge advocate general, who has just recommended that a bond be procured to free the government from liability for any expenses incurred in the operation of the dredge. Under this contract the government can lease either dredge by paying $155 per day for the old one or $235 per day for the new dredge Columbia. The Port will be expected to furnish the crew and fuel, and bear all expenses of operation. The bond is required as an extra precaution, such as is frequently required in government contracts. The department expects the bond will be readily furnished. When at hand, the contract will be approved and expenditures can be commenced under the appropriation of $200,000 made last session.

Now that the government has the option of operating a dredge of the Port of Portland, it is thought by some engineers that it will be unnecessary to ask for future appropriations for building a government dredge for the river below Portland.

The engineers' office has about completed plans for remodeling the transport Grant into a sea dredge for use in cutting a temporary channel across the bar at the mouth of the Columbia river.

These plans will soon be widely advertised, but the work will undoubtedly be done at San Francisco, where the Grant now lies.

CO-OPERATIVE PIANO CLUBS.

A New and Popular Move by the Famous Eilers Piano House.

This house, whose progressive methods are coming to be known and recognized throughout the Northwest, has recently inaugurated a system of piano club selling which exceeds anything ever attempted in this country in the way of providing the people with standard pianos at low prices.

By this method members joining the clubs secure their pianos at strictly wholesale prices by paying down an exceedingly small sum. The piano is immediately delivered and they are given a wide limit of time in which to finish their purchase.

The principle is merely that applied to wholesale purchasers, the club standing in the light of the wholesale buyer. High grade as well as medium grade pianos are included in these clubs. The world famed Kimballs, Chickerings and Webers can be secured by this method at a saving of from one hundred to one hundred and fifty dollars. All the pianos included in the club are on the floors of the sales rooms at Eilers Piano House in Portland, and prospective club joiners may thoroughly inspect their instruments before making their selection. All the instruments in the clubs are standard makes and are brand new. In addition to those above mentioned, there are the famous Decker, Dol, Hobart M. Cable, Weser, Lester and many others. Pianos are delivered to club members upon their making their first payment, and a written guarantee for five years comes with each piano, signed by its manufacturer and also by Eilers Piano House. The clubs are four and each numbers 100. Members of Club A pay but $5.00 and finish their purchase with weekly installments of $1.25. Club B members pay but $7.50 upon delivery of the piano and finish paying at the rate of $1.60 weekly. Club C make an initial payment of 12.00, and balance in $2.00 weekly. Club D members pay $20 down and the remainder of the purchase price in $2.00 weekly payments. Those desiring to pay all cash will save the additional interest.

Pianos that sell regularly for $225.00 go to club members for $137.00; $275.00 instruments for $168.00; $300.00 ones for $187.00; and the very best medium grade pianos that cannot be sold under the regular retail conditions for less than $350.00 will go to club members for $218.00. The saving throughout is equally great and those contemplating the purchase of an instrument will do well to investigate this proposition.

FIRE AT NORTH YAMHILL.

Five Buildings Destroyed—Loss, $20,000, Partially Covered by Insurance.

North Yamhill, Or., Nov. 19.—North Yamhill suffered a $20,000 fire loss last night. About 9:30 o'clock flames were discovered issuing from the general merchandise store of Messner & Vaulheim, and so rapidly did the fire spread that all efforts at saving the building or contents were utterly futile, and the attention of the citizens was directed toward saving adjoining property. The lack of adequate fire fihtging apparatus made difficult the work of subduing the flames, and before the fire had burned itself out four additional buildings were in ruins.

At midnight the flames had subsided and were under complete control. The fire drew a great crowd of people to the streets, but fortunately no one was injured. It is not known how the fire originated.

Says Cuba is All Right.

Havana, Nov. 20.— Lionel Garden, the British minister, in a report on the situation in Cuba, says none of the evils so confidently predicted by the advocates of reciprocity has come to pass. No sugar estate of any importance was compelled to stop, and the recent crisis, far from being disastrous to the island's prosperity, has really been of important service to Cuba in teaching the planters to be economical in the management of the plantations, thus lowering the cost of production.

$10,000 Fire in Helena.

Helena, Mont., Nov. 20.—Fire early today threatened for an hour the complete destruction of East Helena. A fierce gale was blowing, and to protect the residences and business buildings blankets were made use of to prevent ignition from flying firebrands. With the assistance of a steamer from Helena, the fire was gotten under control, after four buildings had been destroyed, the loss on which is estimated at fully $10,000.

British Are Worried.

Peshawur, India, Nov. 20.— The British expedition to put down the uprising of the Waziri tribesmen on the Afghan frontier is meeting with determined opposition. Colonel Tonochy, in command of the Fourth column, has been mortally wounded in an engagement with the insurgents, and Major Beresford, the next in command, has asked for reinforcements.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.

Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. The genuine article may be bought anywhere of all reliable druggists at fifty cents per bottle. Please to remember, the full name of the Company—

CALIFORNIA FIG SYRUP CO.—is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only.
