For Sale—A Jersey red sow and pigs. A. E. Moore.

Mrs. Eva Scott of Oregon City is visiting in town in the family of W. W. Hollingsworth.

Say, did you try Moore's corn cure? It does the work. Now is the time to transplant your corns.

All kinds of candies and good things too numerous to mention. Call and see them. J. M. Rittenhouse.

Call and examine our new stock of artists' materials. F. H. Caldwell & Co., Prescription Druggists.

A. J. Hutchins has sold his home in the west end of town and intends to return with his wife to Minnesota.

Mrs. Howard Williams and baby returned home the first of the week from Seaside, where she had been visiting her parents.

Mrs. J. D. Boatman writes from Grass Valley of the recent death of her husband. They formerly resided in this vicinity.

B. G. Emmerson, the tinner, who has been holding out in the Pickett building, has moved his business to Sheridan, where he has bought a shop.

G. W. Cutts, the Shedd's telegraph operator, who is on a lay-off on account of poor health, has been visiting his family in Newberg this week.

The teachers' institute held here last Saturday was fairly well attended by the pedagogues. President Ressler of Monmouth did not appear.

Mrs. G. W. Haviland and children started Tuesday back to their old home in Oklahoma. They were accompanied to Portland by Mr. and Mrs. H. E. Pinney.

They are telling a hard story on Newberg's mayor, and unlike most stories of its kind, it seems to be true. He took a preacher's last dollar up at the depot the other morning and rode out of town on the blind baggage.

On Thursday of last week, at the county seat, Mrs. Louise McCollum and Thomas E. Jones, of this place, were united in marriage. The match was something of a surprise to most Newbergers.

J. L. Davis, who is afflicted with acute asthma, returned home from Hood River last week apparently well, but suffered his old trouble again and started back to Hood River Wednesday morning.

Somebody has relieved Miss Ella Macy of her sweet singing canary, which was in a cage hanging from the portico of the college boarding hall. As the songster was a much prized gift, she offers a reward for the conviction of the offender. Verily, music hath charms.

Plowshares ground on Saturdays at the Newberg Sash and Door Factory.

You will always find a complete line of vegetables at Wilson's grocery.

We handle Little's Sheep Dip. F. H. Caldwell & Co., Prescription Druggists.

A sister of Rev. F. C. Stanard, Mrs. McDonald, and children, of Union, who had been visiting at her old home at Brownsville, visited the Stanard family in Newberg the first of the week.

A few Newberg people saw the meteor at about 7:55 o'clock last Friday evening, which caused such a commotion in Portland and vicinity. It was too far distant for the minute observation which was possible further north, and looked much like a mammoth sky rocket as it pursued its way rather leisurely toward the west.

J. K. Blair was the victim of a severe accident Monday afternoon. He was down at the home of his son-in-law, A. O. Mills, splitting some wood, when a stick flew up, hitting him in the left eye. He had on his spectacles, which were broken to smithereens, the broken glass penetrating the eye and completely putting it out. He was at once taken home and spent the evening and night in great pain. His many friends deeply sympathize with him in his sore affliction.

Along with the other two rural mail routes going out from Newberg, route No. 1 was recently inspected by Inspector E. C. Clement. The latter found the patrons greatly pleased with the service given by Carrier Martin, only one objection to him being raised by the male patrons along the route. However, as two or three carriers in the state have been called down on the same ground, it evidently behooves Calva either to practice a little renunciation or have his patrons better posted next time.

Notice—Ladies!

The Lewis and Clark club will meet at the Presbyterian church Saturday afternoon at 2:30 o'clock. All ladies from Newberg and surrounding points, such as Springbrook, Chehalis Center, West Chehalis and Duudee, are cordially invited to attend.

Too Great a Risk.

In almost every neighborhood some one has died from an attack of colic or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for any one to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. Quick Arrest.

J. A. Gullidge, of Verbena, Ala., was twice in the hospital from a severe case of piles, causing 24 tumors. After doctors and all remedies failed, Bucklen's Arnica Salve quickly arrested further inflammation and cured him. It conquers aches and kills pain. 25c at F. H. Caldwell & Co.'s, druggists.

The Wastes of the Body.

Every seven days the blood, muscles and bones of a man of average size loses two pounds of worn-out tissue. This waste can not be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures indigestion, dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by Caldwell & Co.

Some monuments are inverted shafts—or at least they seem to point in the wrong direction.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre, of Shepherdstown, W. Va., says: "I had a severe case of bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for croup, whooping cough, grip, pneumonia and consumption. Try it. It's guaranteed by F. H. Caldwell & Co., druggist. Trial bottles free. Regular sizes, 50c, \$1.00.

Eugene Field's

Views on Ambition and Dyspepsia.

"Dyspepsia," wrote Eugene Field, "often incapacitates a man for endeavor and sometimes extinguishes the fire of ambition." Though great despite his complaint Field suffered from indigestion all his life. A weak, tired stomach can't digest your food. It needs rest. You can only rest it by the use of a preparation like Kodol, which relieves it of work by digesting your food. Rest soon restores it to its normal tone.
