Dr. H. A. Littlefield narrowly
escaped a serious misfortune
Monday morning. He reached
above him and took down a bot-
tle of iodine, when the bottle be-
came unstopped and the con-
tents were precipitated in his
face and eyes. He suffered in-
tensely for a time and feared for
his sight, but by application of
prompt remedies, no very serious
injury resulted.

J. W. Ingle, the socialist ad-
vocate who addressed a fair
sized audience here on Thursday
night of last week, proved to be
an interesting talker, especially
as socialism is rather a new doc-
trine in Newberg. He spoke well
on to the midnight hour, after-
ward explaining to the writer
that owing to the somewhat
mistaken idea of socialism which
has been engendered here by the
Appeal to Reason, which he said
is not an exponent of true social-
ism, he had to take the time in
laying down the very foundation
principles. Mr. Ingle thinks that
the socialist party will put the
republicans and democrats out
of business by 1910.

There were evidently a good
many voters in this vicinity who
didn't care whether a congress-
man was elected or not on Mon-
day, as but little over half the
usual vote was polled. As was
remarked by Mr. S. Brutscher,
when a constable is to be elected
everybody turns out and helps
save the country, but when an
insignificant officer like a con-
gressman is to be chosen, little
interest is manifested.

The Knox-Kantner Concert
Company is the name which
Prof. R. W. Kelsey has given to
the male quartet which he has
organized and will put before the
public about the first of August.
He has collected some first class
musical talent, which should
make a strong company. The
star is W. Eugene Knox of Chi-
cago, second tenor and imper-
sonator, whose work is well
known here as the leading fea-
ture of the Meneley quartet.

Clifford W. Kantner, at present
in charge of the musical depart-
