Bert Terry is looking forward to moving his barber shop across the street to his own building, now occupied by Glenn Winslow, the jeweler. He will put in new bath fixtures, and will have a good, roomy shop.

Miss Rose Graham, accompanied by the Schiur Sisters, started out in her buggy for the coast Wednesday morning. In their absence, Mrs. W. E. Howard is presiding over the destiny of the Newberg House.

Dr. H. A. Littlefield, Mrs. Maggie Littlefield, Mr. and Mrs. F. H. Caldwell, Mr. and Mrs. Hugh Nelson, Mr. and Mrs. Tom Bryan and Al Fletcher of La Fayette started out for the Trask River Tuesday, intending to drive on down the coast and spend the Fourth at Tillamook.

A gentleman from Selma, Ohio, named Calvert, was looking about Newberg the first of the week in search of a location. He is still postmaster of his home town, but has sold out his business there and wants to find a good place to educate his children. He went to Portland Wednesday morning, but will probably come up to Newberg again before returning east.

Glenn Winslow is up at Pendleton sizing up that town as a place for a good business opening. He is contemplating moving his jewelry business to that point. Later Mr. Winslow arrived home Wednesday evening, having bought but a well located jewelry store at Pendleton, and will move there in a few days. Mr. and Mrs. Winslow have made many friends in Newberg who will regret their departure. Orland Heacock and his cousin, Mark Heacock, a recent arrival from Ohio, are figuring on succeeding Glenn in business here, though their plans are not fully matured.

When in Newberg last week, Phin Vantress purchased Orange Elliott's place on South Meridian street as a home for his parents, now in Eastern Washington, who will move to Newberg again in the near future.

Miss Emma McAdams, daughter of Mr. and Mrs. Tom McAdams, former residents of Newberg, was graduated last week from the California State Normal School of San Jose, in a class of one hundred and sixteen graduates.

C. B. Wilson surprised his friends and customers the first of the week by selling his grocery business. Since Newberg was a very small hamlet, Charles has been engaged more or less of the time behind the grocery counter, and he will doubtless feel for some time more or less in sympathy with the proverbial fish out of water. He says he has not determined certainly as to what he will do. The purchaser is Wm. Rich of Coquille, who has already taken charge of the business. His family will be here in a few days and will occupy the Wilson cottage, adjoining the store.

Cholera Infantum.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by C. F. Moore & Co.

Eternal vigilance occasionally enables a man to retain one umbrella for six consecutive weeks.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has never been equaled. Joe Golobick of Colusa, Cal., writes: "For 15 years I endured insupportable pain from rheumatism and nothing relieved me, though I tried everything known. I came across Electric Bitters, and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by F. H. Caldwell & Co., druggists.

A grain of sand in a man's make-up is worth two in the sugar.

Just About Bedtime

Take a Little Early Riser—it will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by F. S. Caldwell & Co.

Many a man travels over the road that leads to success on another man's hobby.

Catarrh of the Stomach.

When the stomach is overloaded, when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves and causes the glands to secrete mucin, instead of the natural juices of digestion. This is called catarrh of the stomach. For years I suffered with catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by F. S. Caldwell & Co.

The new Philippine cable will be in operation by the 4th of July. President Roosevelt will press the button and be rewarded with the intelligence that the flag is still there.

The Foundation of Health.

Nourishment is the foundation of health—life—strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all food into the kind of blood that nourishes the nerves and feeds the tissues. Kodol lays the foundation for health; nature does the rest. Indigestion, dyspepsia and all orders of the stomach and digestive organs are cured by the use of Kodol. Sold by F. S. Caldwell & Co.

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never gripe nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fevers.
