Mrs. Ervin Scott and children, of Portland, are visiting out north of town with the family of John Hodson.

Business was good at the city pound Thursday morning, Marshall Woods having run in a herd of town cows the night before which persisted in keeping late hours out.

Glenn Winslow, the jeweler, left Thursday morning for his new location at Pendleton, Mrs. Winslow to follow the last of the week. Heacock & Heacock continue the business, and after August 1, will occupy a coxey, new room, which Harrison Crater is building for them adjoining his store building and hall.

Miss Harriet Atkinson had a close call in a runaway as she came in to the creamery with their milk wagon Thursday morning. As she turned at the Bank of Newberg corner, the tongue slipped through the neck-yoke and the team lit out at a good pace down the street. With presence of mind, however, Miss Atkinson managed to turn the team at the creamery corner, when the wagon struck an out-building, the team breaking loose and precipitating the driver over the dashboard, but without injury.

Business Notice.

In discontinuing business in Newberg, I wish to thank the citizens for the liberal patronage they have entrusted me with, and express my hearty appreciation of the same. At the same time, allow me to recommend my successors, Heacock & Heacock, as fully competent to carry on the jewelry business. All unfinished work left with me by patrons will be completed satisfactorily by them.

Respectfully,

GLENN WINSLOW.

POPULAR NORTH BEACH.

Excursion Steamer T. J. Potter Goes into Service June 27.

Those who are planning their vacation this year will be interested in knowing that the popular excursion steamer T. J. Potter—queen of river boats—goes into service June 27, and that she will leave Portland, during the season, every day from Tuesday until Saturday inclusive. To see the beauties of the picturesque and mighty Columbia from the decks of the Potter is a treat never to be forgotten. For speed and grace nothing in river and lake service in the entire West equals this side wheeled beauty. Five hours from Portland and one from Astoria, through the famous fishing waters of the Columbia, past scores of salmon traps and nets and as many white-winged fish boats, lands the passengers at Ilwaco, where close connection is made for beach points with trains of the Ilwaco & Navigation Company, whose cars stand on the wharf awaiting the steamer. The beach is twenty-seven miles long two hundred yards wide at lowest tide, and so hard that carriage wheels scarcely leave a mark. It is an ideal place for driving, riding, wheeling or walking, and the surf bathing is unsurpassable. The excellent hotels and boarding houses provide good accommodations at prices ranging from one to three dollars per day.

The round trip rate from Portland to Astoria is \$2.50; to Ocean Beach points \$4.00, good until October 15th. On Saturdays, during July and August, round trip tickets are sold to beach points at \$2.50, good for return leaving the beach the following Sunday evening. The Oregon Railroad & Navigation Company has just issued a new summer book (free for the asking) which tells all about the delightful resorts of the valley of the Columbia river. This can be obtained from any agent of the O. R. & Co., or by writing A. L. Craig, General Passenger Agent, Portland, Oregon.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1 bottles of Dr. King's New Discovery cured me and I gained 58 pounds." It's absolutely guaranteed to cure coughs, colds, la grippe, bronchitis and all throat and lung troubles. Price, 50c and \$1. Trial bottles free at F. H. Caldwell & Co.'s drug store.

Just Possible.

"You can't always judge a man's prosperity from the fact that he smokes 25-cent cigars," says the Manayunk Philosopher. "Maybe his wife is wearing her last year's hat."—Philadelphia Record.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has never been equaled. Joe Golobick of Colusa, Cal., writes: "For 15 years I endured insufferable pain from rheumatism and nothing relieved me, though I tried everything known. I came across Electric Bitters, and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by F. H. Caldwell & Co., druggists.

Talking Back.

"Grover Cleveland" is makin' a great play about his bein' better'n the rest of us because he fishes fur sport and we do it fur a livin'," grumbled the old fellow in the oilskin suit, "an' yit every once in a while he writes an article about his style of fishin' an' sells it to the magazines fur \$500—darn 'im!"—Chicago Tribune.

Cholera Infantum.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by C. F. Moore & Co.

Catarrh of the Stomach.

When the stomach is overloaded, when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves and causes the glands to secrete mucus, instead of the natural juices of digestion. This is called catarrh of the stomach. For years I suffered with catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by F. S. Caldwell & Co.

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never gripe nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fevers.
