Hervey Hoskins arrived home at McMinnville from his year in the East Sunday. After college closed in June he spent a few weeks visiting and getting acquainted with his numerous relations. On Monday he and his father drove down to Newport.

John Dunham, who since the close of the college year has been visiting up about The Dalles, returned the latter part of last week and left at once for his home at Berkeley, California. His sister, Cora, remains and will spend the summer with Miss Ella Macy, a good part of which will be spent at Newport.

The regular meeting of the Newberg Board of Trade, to be held Monday evening in the I. O. O. F. hall, will be a very important one, as the matter relative to the proposed switch to the Spaulding Company's sawmill is to be placed before the meeting by Mayor Christenson. As the decision of the question involves the putting in of a new mill of 100,000 feet capacity, every citizen of Newberg should be interested sufficiently to be present.

James Kenworthy of Huntsville, Washington, father of Leon Kenworthy, well known here as a graduate of Pacific College, came down last week to attend Yearly Meeting, having read in the Graphic that his uncle, Amos Kenworthy, was to be present. He says that Leon, who abandoned work in the law office a few months ago on account of poor health, is steadily recuperating on the farm and will take up the practice of his profession again in the fall.

The Southern Pacific Company had surveyors at work the first of the week surveying the cut-off from La Fayette to St. Joe. It is to be hoped that this will amount to more than mere pastime.

Mrs. Lizzie White was taken rather suddenly with a very severe attack of indigestion last Sunday while preparing for church, which reached the danger line before it could be checked, but her many friends are glad to note that she is now almost well again.

Master Dickie Linville betook himself to the river for a bath Wednesday afternoon and came near not returning. He got in water beyond his depth and was in sore distress, when Walter Spaulding rescued him from a watery grave. Dickie is leading a strenuous life. Along about the glorious fourth he injured his hand severely with a toy pistol.

David A. Jones, accompanied by Miss Cora Hobson, eldest daughter of Mr. and Mrs. T. E. Hobson, drove out of town Wednesday morning with an illuminating smile upon his countenance, which indicated that the little fascal, Cupid, had finally scored on David's adamant heart. The couple were quietly married at McMinnville, returned home in the evening and are receiving the congratulations of their friends. Long life and prosperity to them.

Moore, with Lester and Marvin; Mr. and Mrs. E. H. Woodward, with Herman and Bernice. "Beautiful Joe" also went along to keep the varmints away and, incidentally, to pick up the chicken bones that were tossed aside at dinner time. The weather was perfect, the dinner was "out of sight," and withal, it was a very pleasant outing for all who made up the party.

John Jones, who has been engaged in the merchandise business in Dayton for more than twenty years, and is well known in this and adjoining counties, sold his stock of merchandise to Patterson & Jones of Newberg, who will conduct the business at the old stand. Mr. Jones, who, about two years since, was stricken with facial paralysis, from which he has never fully recovered, has for some time contemplated giving up business and taking life in a more retired and quiet way.—Herald.

Dan Peely was kept busy pouring salt water over the young sea lion captured off Tillamook, to remind the brute of its flative element. So far he had not induced it to eat freely, and feared that it would not thrive after its rough ride by wagon. The band mascot continued to pine away and would not be comforted, and as a last resort, in order to contribute to its happiness, the boys took it down to the river Wednesday evening for a swim. It is going yet and may in time reach its native salt sea if it, unlike Graham's boat, is able to pass through the locks.—Reporter.

Reduced Excursion Rates to the Seaside and Mountain Resorts for the Summer.

The Southern Pacific Company has placed on sale at very low rates round trip tickets to the various resorts along its lines, and also, in connection with the Corvallis and Eastern Railroad, to Detroit and the seaside at Yaquina Bay; latter tickets good for return until October 10th.

Three-day tickets to Yaquina Bay, good going Saturdays, returning Mondays, are on sale at greatly reduced rates from all points Eugene and north on both East and West Side lines, enabling people to spend Sunday at the seaside. Very low round trip rates are also made between Portland and same points on the Southern Pacific, good going Saturdays, returning Sunday or Monday, allowing Portland people to spend Sunday in the country and the out-of-town people to have the day in Portland.

Tickets from Portland to Yaquina Bay good for return via Albany and East Side, or Corvallis and West Side, at option of passenger. Baggage checked through to Newport. A new feature at Newport this year will be an up-to-date kindergarten, in charge of an experienced Chicago teacher.

A beautifully illustrated booklet, describing the seaside resorts on Yaquina Bay, has been published by the Southern Pacific and Corvallis & Eastern railroads, and can be secured from any of their agents or by addressing W. E. Coman, G. P. A.; S. P. Co., Portland; or Edwin Stone, Mahager C. & E. R. R., Albany, Oregon.

labor is the divine law of our existence; repose is desertion and suicide.—Mazzini.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has never been equaled. Joe Golobick of Colusa, Cal., writes: "For 15 years I endured insufferable pain from rheumatism and nothing relieved me, though I tried everything known. I came across Electric Bitters, and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by F. H. Caldwell & Co., druggists.

Cholera Infantum.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by C. F. Moore & Co.

Did you ever visit a crawfish camp? It is one of the most interesting occupations going. Down at the mouth of the North Yamhill crawfisher Shaw had a thousand dozen crated a week or so ago, awaiting shipment subsequent to the falling of the Willamette at Portland covering the crawfish tanks. The largest crawfish in the world are said to be in the Yamhill river, being worth five cents more on the dozen than from any other stream.—Telephone-Register.

Catarrh of the Stomach.

When the stomach is overloaded, when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves and causes the glands to secrete mucin, instead of the natural juices of digestion. This is called catarrh of the stomach. For years I suffered with catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by F. S. Caldwell & Co.

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never gripe nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fevers.
