As threshing progresses, the report comes that wheat is yielding rather better than had been anticipated, and such a crop of oats has hardly ever been harvested in the valley. This bit of information is encouraging to those of us who have been paying eighty cents a sack for bran for cow feed.

D. H. Turner returned from San Francisco on Monday, where he attended the national encampment of the G. A. R. The General says he had the time of his life; that the meeting of the old veterans was a grand success and the proverbial hospitality of the Californians unbounded. He brought home two beautiful souvenir badges of the encampment.

E. S. Piper who has been postal clerk on the Yamhill division of the Southern Pacific so long that his face is almost as familiar to the people along the route as the faces of conductors Tommy and Jo, has a vacation ahead of him which will begin at an early day and extend over a period of about two months time. He has been honored by being elected as a delegate to the annual meeting of postal clerks to be held in Washington City and he with his wife will during the interval visit relatives in Illinois, Indiana and Kentucky and have an all round good time. Being that the coast states have but two delegates, the other one being from Los Angeles, Piper is a lucky boy to get the place.

Suicide Prevented.

The startling announcement that a preventive of suicide had been discovered will interest many. A run-down system or despondency invariably precedes suicide, and something has been found that will prevent that condition which makes suicide likely. At the first thought of self-destruction take Electric Bitters. It being a great

tonic and nerve, will strengthen the nerves and build up the system. It's also a great stomach, liver and kidney regulator. Only 50c. Satisfaction guaranteed by F. H. Caldwell & Co., druggists.

The Death Penalty.

A little thing sometimes results in death. Thus a mere scratch, insignificant cuts or puny boils have paid the death penalty. It is wise to have Bucklen's Arnica Salve ever handy. It's the best salve on earth and will prevent fatality when burns, sores, ulcers and piles threaten. Only 25c, at F. H. Caldwell & Co.'s drug store.

Vote of Thanks.

We, the people of the Free Methodist church, in quarterly conference session, extend a hearty vote of thanks to Mr. Jesse Edwards for the use of his grounds; to Rev. R. Pettyjohn for his successful arrangements in preparing for our camp meeting, and also to the press of Newberg for its favorable mention of the meetings.

O. N. BLAIR, Secretary.

Puts an End to It All.

A grievous wall oftentimes comes as a result of unbearable pain from overtaxed organs, dizziness, backache, liver complaint and constipation, but, thanks to Dr. King's New Life Pills, they put an end to it all. They are gentle, but thorough. Try them. Only 25c. Guaranteed by F. H. Caldwell & Co.'s drug store.

Crawford—What's that fellow doing who invented all those puzzles?

Crabshaw—He's devising new ways to fold railroad time tables.

Potent Pill Pleasure.

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot of Albany, Ga., says: "During a bilious attack I took one. Small as it was, it did me more good than calomel, blue mass or any other pills I ever took, and at the same time it effected me pleasantly. Little Early Risers are certainly an ideal pill." Sold by Caldwell & Co.

The Test.

The modiste held the mirror to the lips of the prostrate woman, and a cry of despair escaped her as faint traces of moisture gathered upon the polished glass. "It doesn't fit!" moaned the modiste.

Clearly, the gown the prostrate woman was trying on would have to be ripped out and made over. She could breathe in it. The moisture on the mirror proved it.

Not Over-wise.

There is an old allegorical picture of a girl scared at a grasshopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by C. F. Moore & Co.

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never gripe nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fevers.
