He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. Ran a Ten Penny Nail Through His Hand.

While opening a box, J. C. Mount of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise, it removed all pain and soreness and the injured parts were soon healed." For sale by C. F. Moore & Co.

P. T. Barnum once said: "If you have \$10 to put to good use put \$1 for the article and \$9 for advertising. I can out talk any man but a printer. The man who can stick type and the next morning talk to a thousand people while I am talking to one is the man that I am afraid of, and I want to be his friend."

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never gripe nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fevers.
