John Dunstan sold out his business Wednesday, J. M. Ritzenhouse purchasing the feed and implement store, and the Chehalem Valley Milling Company the warehouse east of the depot. Mr. Dunstan has been in rather poor health for some time and he and his wife intend to leave soon on a trip to Southern California, after which they will probably spend some time in Tillamook county where his parents are located.

It's hardly necessary to assure newcomers that the wind storm of Tuesday night was "unusual," although every old settler solemnly attests the fact. It was the hardest and most continuous gale that had blown for years in this part of the state. It was reported the next morning that the only outside wire connection Portland had was by the telegraph line along this division of railroad. C. B. Wilson, who came down from Sheridan Wednesday morning, said the wind was terrific out nearer the coast, and that he believed there was fifty miles of fence down in that section. Oh the wind does blow occasionally here in Oregon—just enough to keep the atmosphere stirred up and the moss loosened.

The Best Remedy for Croup.

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup and tolu, but some modern mothers say that Chamberlain's Cough Remedy is better and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take.—Atchison, Kan. Daily Globe. For sale by C. F. Moore & Co.

The woman who would like to be a great lady is insolent; the woman who is one, isn't.

Doesn't Respect Old Age.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, jaundice, fever, constipation all yield to this perfect pill. 25c, at F. H. Caldwell & Co's. Drug Store.

Home is the nursery of all the virtues, and it is to woman's genial disposition that we owe the boon. How great, then, is the necessity that she should regard the temple she has erected, and the influence she has created, with the eye of hope and the unclouded brow of cheerfulness.

Cured of Piles After 40 Years.

Mr. C. Haney of Geneva, O., had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, exzema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by F. H. Caldwell & Co.

A Remarkable Case.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by F. H. Caldwell & Co.

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never gripe nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fevers.
