During Tuesday night the water supply was cut off for the purpose of putting in a new fire hydrant at Main and 3rd streets. This makes fifteen hydrants, located in various parts of the city, and with the extra supply of hose lately purchased and the splendid fire brigades as now organized and drilled we feel able to cope with any fire that may occur.

The Atkinson Bros., who recently bought lots on the corner of First and Meridian streets for a location for their new creamery building, set the stakes for the foundation Wednesday, and they are receiving bids for the carpenter work. The building is to be 24x50 feet and two stories in height, and will be a neat and well-appointed creamery when finished and the machinery is installed. Since the boys took charge of the creamery on their own account the business has been on the increase, and the outlook for the future is very flattering.

What's in a Name?

Everything is in the name when it comes to witch hazel salve. E. C. DeWitt & Co. of Chicago discovered some years ago how to make a salve from witch hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by F. H. Caldwell & Co.

Cured After Suffering 10 Years

B. F. Hare, Supt. Miama Cycle & Mfg. Co. Middletown, O. suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says, one night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol dyspepsia cure. I concluded to try it and while I had no faith in it I felt better after the second dose. Congratulations.

Mr. John H. Cullum, editor of the Garland, Texas, News, has written a letter of congratulation to the manufacturers of Chamberlain's cough remedy as follows: Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's cough remedy in 1887, and finding it such a reliable remedy for colds and croup we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you on the success of your remedy. For sale by C. F. Moore & Co.

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never gripe nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fevers.
