THURSDAY, JUNE 30, 1904.

Newberg has fourteen steam power plants in operation. The fact speaks for itself.

It's time to begin saying "Roosevelt and Fairbanks." The names don't slide off of a fellow's tongue as glibly as some might but they have a good, stout, substantial ring.

While the unofficial canvass had worked the majority for local option in the last election down to 1800 votes, the official canvass shows that the measure carried by a majority of 3118, which is even larger than that first estimated. This and the direct primary law are now in force.

In an editorial on "A Successful Manager," the Capital Journal pays high tribute to the ability of Walter L. Toozé of Woodburn. And it is deserved. As congressional chairman in the last campaign Mr. Toozé did great work, the result of which was registered on June 6, when the first district rolled up an unprecedented majority for Binger Hermann. As the Journal predicts, he will doubtless be heard from again. His Newberg friends are pleased to see him going to the front.

The success of Walter R. Miles of Pacific college of Newberg in winning the first prize of \$100 in the prohibitory oratorical contest in Indianapolis last night before an audience of 3,000 people was so emphatic and pronounced as to be profoundly pleasing to the friends and admirers of the young man throughout Oregon. He was the winner of the first prize in the contest at Philomath in May, which was in itself an honor, but at Indianapolis he entered a national instead of a state contest and that he should have wrested the first prize there not only clearly shows that he was entitled to the honors accorded him at home, but that he worthily wears them when he goes abroad.—Portland Journal.

For many years Newberg people have done all in their power to get the Southern Pacific Company to give us better transportation service and a depot adequate to the business which the town gives the railroad company. But to no avail. Evidently the management considers it unnecessary to accommodate its patrons here and our citizens must begin to look elsewhere for those improved facilities which they have so long desired. To many such communities similarly situated, the electric line service solved the problem and filled the long felt want and it appears that Newberg will be forced to go to work for electric line communication. Something must be done. The Southern Pacific Co. has been given ample time to show its good intentions, and in its failure to show any, we must begin to look out for ourselves. And as last week's Reporter kindly suggests, if Newberg people once go after an electric line service in dead earnest, they are pretty apt to get it.

Porter & Larkin have ladies oxfords in latest styles and they please the ladies too, several styles and prices.

La Fayette Items.

We are all going to Newberg on the 4th.

Roosevelt and Fairbanks are good enough.

Billy McNeely has sold his property here and gone with Mr. Krummel's folks back east. They will all be back here in a year or two.

Our saloon keeper says he don't know whether to buy any wood for winter or not. Says the fool local optionists may put him out of business in November.

Jas. O'Neil was elected director and J. L. Vickrey clerk at the school meeting on Monday of last week. Prof. Blough has been employed as principal for next year.

The officers for next term in the Artisans lodge are Louisa Vickrey, Master Artisan; C. E. Watts, superintendent; Jimmie Hyde, secretary; J. L. Vickrey, treasurer.

Quite a number of people in town are putting on new roofs and painting up their houses—it is about time it was done; but yet La Fayette is the healthiest place in America.

Harry Blough has returned from Grass Valley where he has been teaching school for nine months. His complexion is about the same as when he came home from the Philippine Islands.

Mr. Krummel who bought the Henry Newton farm a year ago has sold it to some eastern people for something over \$7,000. Mr. Krummel has chartered a car and gone back to Iowa.

POSEY.

A Beautiful Silk Flag Given Away.

The merchants will give a voting coupon free with every 25 cent cash purchase until 30,000 coupons are given out all told when the contest will close and the flag awarded to the society receiving the highest vote. Sued by his Doctor.

"A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coacella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had a good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by C. F. Moore & Co.

"Huh!" grumbled Mr. Skinnay, who was being uncomfortably crowded by the jolly looking fat man in the trolley car, "these cars should charge by weight." "Think so?" replied the fat man; "then they wouldn't think it worth while to stop for you."

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by C. F. Moore & Co.

Millinery Clearance Sale.

Starting June 6th. and continuing until the fourth of July, there will be a clearance sale on all the hats at Hutchens Sisters. A large assortment of ladies bonnets, dress and street hats, also children's hats, ribbons, flowers etc. Please call and see them.

For a Hundred Years.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co. of Chicago, to discover how to combine the virtues of Witch Hazel with other antiseptics, in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeits, and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold by F. H. Caldwell and Co.

Thrown From a Wagon.

Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by C. F. Moore & Co.
