### More About That New Depot.

With commendable spirit, Mrs. G. W. Cutts circulated a petition among Newberg people a few days ago, asking the Southern Pacific officials to give attention to Newberg's need of better depot facilities. She promptly forwarded the much signed paper to Portland, and was as promptly favored with a reply. The following letter from General Manager E. E. Calvin, which speaks for itself, was received by Mrs. Cutts yesterday:

PORTLAND, ORE., July 19, 1904.  
Mrs. G. W. Cutts, Newberg, Oregon.  
Dear Madam: Am very much obliged to you for your letter, transmitting petition from citizens of Newberg and for the explanation as to conditions. There is no occasion, however, for alarm, as we have the matter in hand and intend to furnish adequate facilities. I have not been able to visit Newberg myself to investigate conditions, but instructed General Superintendent O'Brien to do so as per my letter to him of July 15th, a copy of which is hereto attached. Mr. O'Brien will be over that part of the road within a very short time now and make the necessary investigation.  
Yours truly,  
E. E. CALVIN.
