WORTHING BUT ROOSEVELT.

General Election Results—National, State and County.

Overwhelmingly republicans.
The expression was sadly overworked in the reports of the election all over the country, the solid North excepted, but there was no exception to the fact it was the only one which could be said. The Fillmore solid as well as the other factors, is the fact that the result shows that there were 400 out of 490 electoral vote. It was an avalanche. The new congress will have no votes to hand for the writer, as it is a big change for the better of the course.

But look in Oregon! The wildcat claim made, that of Chair, was not justified. In the county, and the roll up a majority of 380,000 for or against. Just take this, Teddy, as a bock of our efforts for the law.
