157,680,000—Think of it—
what a monstrous number! And
yet are you aware that the bal-
ance wheel in your watch makes
that many revolutions in one
year? Can you imagine a bug-
gy wheel that could make that
many revolutions without
screetching? If so it would be
more wonderful than the "one
hoss shay."—And yet people say
"It has been only a year or
possibly two since my watch
was cleaned and oiled." An
ordinary machine is oiled daily,
your watch should be oiled once
a year. In time the oil gums,
produces friction and wears the
bearings, destroying their high
finish and perfect fit, thus ruin-
ing an accurate time piece. Let
us examine it, an honest opinion
will cost you nothing. Mark

Telephone Meetings.

The Bell people are making an
attempt to buy out the Mutual
Telephone company and the
matter is likely to come up at
the annual meeting of the latter
company. The object is two
fold. They want to secure the
business of the Mutual and shut
out competition in this com-
munity, but aside from this, the
main object, no doubt, is to get
control of the line and in this
way make a gap in the line from
points up the valley running to-
ward Portland. The Bell peo-
ple are well aware of the fact
that at the rate independent
lines are being built all over the
Willamette valley it will only be
a question of a little time until a
line will enter Portland, and this
they will block it money can do
it. So far they have been able
to control the Portland city
council and prevent the granting
of a franchise for a new com-
pany and every vantage point
is being watched with an eagle
eye. Stock holders in the Mut-
ual will do well to attend the
annual meeting of the company
which will be held on Tuesday,
January 31, at 2 o'clock, if they
care to have a voice in the fu-
ture policy of the company.

Teachers' Examination.

Notice is hereby given that the
county superintendent of Yam-
hill county will hold the regular
examination of applicants for
state and county papers at Mc-
Minnville, as follows: For state
papers, commencing Wednesday,
February 8th, at nine o'clock a.
m. and continuing till Saturday,
February 11, at four o'clock
p. m. Wednesday—Penmanship,
history, spelling, algebra, read-
ing, school law. Thursday—
Written arithmetic, theory of
teaching, grammar, bookkeep-
ing, physics, civil government.
Friday—Physiology, geography,
mental arithmetic, composition,
physical geography. Saturday—
Botany, plane geometry, general
history, English literature, psy-
chology.

For county papers, commen-
cing Wednesday, February 8th,
at nine o'clock a. m. and con-
tinuing until Friday, February

theory of teaching, grammar,
physiology. Friday—Geogra-
phy, mental arithmetic, school
law, civil government. Primary
certificates. Wednesday—Pen-
manship, orthography, arithme-
tic, reading. Thursday—Art of
questioning, theory of teaching,
physiology. L. R. ALDERMAN,
County School Superintendent.

Chehalem Center.

There was a surprise party
given in honor of Miss Mabel
Paulsen last Friday at the Paul-
sen residence.

Music and games were enjoyed
by all—Miss Hattie Atkinson
winning first honors in the game
of finch, with Leslie Moore a
close second.

But we don't like the game of
peter peppercorn a bit. Even a
fellow's best girl is not allowed
to speak to him if he gets pep-
pered. It works an embarrassing
hardship on the unfortunate,
and all the rules ought to be
amended. But all of our pep-
percorn griefs were assuaged,
when the numbers were passed
around for partners for supper.
Excellent refreshments were
served by Misses Elma and
Hazel Paulsen. A little more
visiting, a few more conundrums
and hearty laughs and the party
of merry makers dispersed well
pleased with the pleasure of the
evening.

Question. Why did they open
the gate 16 feet wide for the
professor and his girl? Give it
up. We can't tell. M. C. W.

Greatly in Demand.

Nothing is more in demand than
a medicine which meets modern
requirements for a blood and system

Winter Rates to Yaquina Bay.

In order to accommodate the
many people who wish to make
a winter trip to Yaquina Bay,
the Southern Pacific Co. will sell,
on Wednesdays and Saturdays
of each week, until March 31,
1905, round trip tickets, at low
rates, to Yaquina and return,
limited to sixty days from date of
sale. Those who desire to take
advantage of this rate should
apply to nearest Southern Pacific
agent for tickets.

Imperfect Digestion

Means less nutrition and in con-
sequence less vitality. When the
liver fails to secrete bile, the blood
becomes loaded with bilious prop-
erties, the digestion becomes im-
paired and the bowels constipated.
Herbine will rectify this; it gives
tone to the stomach, liver and
kidneys, strengthens the appetite,
clears and improves the complex-
ion, infuses new life and vigor to
the whole system. 50 cents a bot-
tle. Sold by C. F. Moore & Co.

Twenty dollars in gold will be
given to the person voting the
most flag coupons.

A Grim Tragedy

Is daily enacted in thousands of
homes, as death claims, in each
one, another victim of consumption
of pneumonia, but when coughs
and colds are properly treated, the
tragedy is averted. F. G. Huntley
of Oakland, Ind., writes: "My
wife had consumption and three
doctors gave her up. Finally she
took Dr. King's New Discovery
for consumption, coughs and colds,
which cured her, and today she is
well and strong." It kills the
germ of all diseases. One dose re-
lieves. Guaranteed at 50c and \$1
by F. H. Caldwell & Co., drug-
gists. Trial bottles free.

If everybody got their just de-
serts there would not be enough
people left over to hold a jollifi-
cation meeting.

Speedy Relief.

A salve that heals without a
scar is DeWitt's Witch Hazel
Salve. No remedy effects such
speedy relief. It draws out inflam-
mation, soothes, cools and heals all
cuts, burns and bruises. A sure
cure for piles and skin diseases.
DeWitt's is the only genuine Witch
Hazel Salve. Beware of counter-
feits, they are dangerous. Sold by

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's
Cough Remedy is the best made
for colds," says Mrs. Cora Walker,
of Porterville, California. There
is no doubt about it being the best.
No other will cure a cold so quick-
ly. No other is so sure a preven-
tive of pneumonia. No other is so
pleasant and safe to take. These
are good reasons why it should be
preferred to any other. The fact
is that few people are satisfied with
any other after having once used
this remedy. For sale by C. F.

No More Stomach Troubles.

All stomach trouble is removed
by the use of Kodol Dyspepsia
Cure. It gives the stomach per-
fect rest by digesting what you eat
without the stomach's aid. The
food builds up the body, and rest
restores the stomach to health.
You don't have to diet yourself
when taking Kodol Dyspepsia
Cure. J. D. Erskine, of Allenville,
Michigan, says, "I suffered heart-
burn and stomach trouble for some
time. My sister-in-law had had
the same trouble and was not able
to eat for six weeks. She lived
entirely on warm water. After
taking two bottles of Kodol Dys-
pepsia Cure she was entirely cured.
She now eats heartily and is in
good health. I am glad to say
Kodol gave me instant relief." Sold
by F. H. Caldwell & Co.

Chamberlain's Cough Remedy Absolutely Harmless.

The fault of giving children
medicine containing injurious sub-
stances, is sometimes more dis-
astrous than the disease from which
they are suffering. Every mother
should know that Chamberlain's
Cough Remedy is perfectly safe
for children to take. It contains
nothing harmful and for coughs,
colds and croup is unsurpassed.

Cured his Mother of Rheuma- tism.

"My mother has been a sufferer
for many years from rheumatism,"
says W. H. Howard of Husband,
Pennsylvania. At times she was
unable to move at all, while at all
times walking was painful. I pre-
sented her with a bottle of Cham-
berlain's Pain Balm and after a few
applications she decided it was the
most wonderful pain reliever she
had ever tried, in fact, she is never
without it now and is at all times
able to walk. An occasional ap-
plication of Pain Balm keeps away
the pain that she was formerly
troubled with." For sale by C.

from this terrible disease for over
three years and tried the prescrip-
tions of numerous physicians, but
found nothing that did me any
good until I tried Chamberlain's

entirely cured me and I have since
had no returns of the disease."—

Sickening Shivering Fits

Of ague and malaria can be re-
lieved and cured with Electric Bit-
ters. This is a pure, tonic medi-
cine, of especial benefit in malaria,
for it exerts a true curative influ-
ence on the disease, driving it en-
tirely out of the system. It is
much to be preferred to quinine,
having none of this drug's bad
after-effects. E. S. Munday of
Henrietta, Tex., writes: "My
brother was very low with malarial
fever and jaundice, till he took

rency. 12

Notice of Final Settlement.

Notice is hereby given that the undersigned,
David M. Ramsey, the administrator of the
estate of James M. Ramsey, deceased, has filed
his final account of his administration upon
said estate in the County Court of the State
of Oregon for Yamhill County, and said Court
has appointed the 11th day of February, A. D. 1905,
at the hour of one o'clock in the afternoon of
said day, at the County Court room at the
court house at McMinnville, Yamhill County,
State of Oregon, as the time and place for the
final hearing of said final account and final
settlement of said estate.
Therefore all persons interested in said estate
are hereby notified and required to be and
appear at said time and place and then and there
show cause, if any exist, why said
account should not be allowed and approved,
said estate forever and finally settled and said
administrator discharged and his bondsmen
exonerated.
Dated this January 6th, A. D. 1905.

Easy Pill

Easy to take and easy to act is
that famous little pill DeWitt's
Little Early Risers. This is due to
the fact that they tonic the liver in-
stead of purging it. They never gripe
nor sicken, not even the most delicate
lady, and yet they are so certain in
results that no one who uses them is
disappointed. They cure torpid liver,
constipation, biliousness, jaundice,
headache, malaria and ward off pneu-
monia and fevers.
