O. C. and J. K. Wright with their families are down from east of the mountains visiting with their parents.

Mr. and Mrs. D. A. Snyder of Montana arrived last night to make a visit with the former's cousin, J. A. Pike and family.

Mrs. J. A. Henry of St. Johns, Washington, accompanied by her two young daughters, is visiting her sister, Mrs. Ernest Hill.

Leslie Blair, Omer Gause, Homer Maris, John Elliott and Herman Woodward represented Newberg Wednesday at American Boy Day at the fair.

James Vestal was made glad last evening by the arrival from Whittier, California of his twin brother John, who came by way of Seattle.

J. C. Cooper has tendered his resignation as superintendent of the county exhibit at the fair and intends to go to a Portland hospital in a few days for a surgical operation. His successor has not been appointed.

The mutual Telephone's fine new switchboard arrived last week, but as it is too large to get into the office, has not yet been installed. It looks like the company would have to pull down its barns and build greater.

Mrs. Rebecca Hodson and daughter Miss Eunice of Berkeley, California, have been visiting Newberg relatives in the families of Sam Gause and L. M. Parker. Mrs. Hodson returns soon while her daughter will remain for a more extended visit.

The significance of July 4th as Independence day has faded into

insignificance to Dr. and Mrs. H. D. Bowers since Tuesday—the date of the arrival in their home of a twelve pound son and heir.

Prof. F. K. Jones tendered his resignation as councilman from Second Ward at the meeting Monday night.

W. S. Hadley, wife and daughter from Wichita, Kansas, are in town visiting at Jesse Edwards. Mr. Hadley who is a brother of Jo Hadley of Portland, has for the past few years been engaged in the banking business in Wichita. Mrs. Hadley and Mrs. Edwards are cousins.

Free Hodges brought in some prize grain yesterday, grown on his place north of town. The wheat stands six feet and one inch, spring oats five feet and six inches, cheat five feet and four inches, and timothy six feet and eight inches. A liberal assortment of such products of our soil should be sent to the Yamhill exhibit at the fair where they will do the most good. A display of grasses and grains could now be secured which would prove a veritable eye-opener to visitors.

The District Conference of the Brethren church including the territory of Oregon, Washington and Idaho, will be held in Newberg next week, beginning on Tuesday. A large attendance from a distance is looked for, some twenty-five ministers being expected, and a highly successful conference is anticipated by the local members. Some of the visitors will be in the last of this week and will be heard in next Sunday's services. The meetings will continue from Tuesday throughout the week and over the next Sunday. A general invitation to attend the various services is extended.

Obituary.

Mrs. Arminda Palmer, daughter of Thomas and Rebecca Butler, was born in Champaign County Illinois, December 16th, 1837. She was married to Andrew J. Palmer the 4th day of June 1868. There were born to them five children, three dying in infancy. Their daughter Jessie died five years ago. One daughter Mrs. Mary Johnson and her husband still survive her.

Mrs. Palmer made a profession of Christianity in her young womanhood, and she united with the Christian church, afterward coming into fellowship with the Brethren. She was a devoted Christian, and during her illness she often spoke of the One in whom she had put her trust, and passed away peacefully in the triumphs of a living faith.

She passed away at five o'clock June 23rd, 1904. The relatives express their gratitude to neighbors and friends for kindnesses shown in the hour of bereavement.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban Diarrhoea is almost severe and dangerous as a mild attack of cholera. There is one remedy however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas, "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by C. F. Moore & Co.

From this terrible affliction I was rescued by Electric Bitters, which restore my health and strength and now I can walk as straight as ever. They are simply wonderful."
