Osteopathic Literature.

Dr. Nettie Olds Haight of McMinnville has been elected first assistant-professor in Diseases of Women and Obstetrics at the A. S. O., Kirksville, Mo.

Much the same way with health as with money, the two main points are to get it and keep it. "He who spends health is a spendthrift indeed."

"No sort of hip trouble should be thought of as permanent until Osteopathy has been given a chance."—The Right Way.

"Help for the ailing—genuine Osteopathy."—The Right Way.

We have frequently given and sent copies of "Osteopathic Health" and "The Right Way" to different people hereabout. Our strong desire is to acquaint the people with what Osteopathy really is, what it has done and what it can do. Not a statement is made in either of the journals but that has been substantiated by fact in actual practice and will be again and again in the future, too. To all who have gotten a copy, or get one in the future we say, kindly accept it with our compliments. These journals are never handled save by graduates of some reputable college. They are competent to explain it. Any person who has never studied even its first principles is incompetent. Who would go to a peanut vender to learn what was and was not good drugs? He wouldn't know anything about pharmacy. Yet he would be as competent to give information as is a drug doctor about Osteopathy without studying it.

Difference of Viewpoint.

Collie—Say, Fido, that mistress of yours is a very beautiful woman. It must be great to have her hold you close to her and kiss you.

Fido—Yes, it would be if it weren't for her husband.

Collie—Does he object to her kissing you?

Fido—I don't know or care. But I object to his kissing her first. He drinks and smokes.

THE Wonderful Northwest FREE SOUVENIR

Gen. James G. Thompson says "The Northwest furnishes the greatest possibilities, and I know of no magazine so thoroughly competent to exploit the wonders of this region as The World's Work."

MARY TWAINE writes: "Two days overdue and The World's Work has not yet reached me. I should rather not have to resort to violence."

THE BIG SPECIAL AUGUST NUMBER OF THE WORLD'S WORK

will describe the marvelous development and the vast possibilities of the great Northwest. No other section of our country presents such a dramatic story of achievement and progress as that of the Northwest, from the expedition of Lewis and Clark to the great centennial at Portland. The World's Work will picture and describe its great industries—mining, farming, lumbering and fishing; its cities and people; its commerce with the East; its railroads at home; its eminent men. Besides, this great magazine will describe

The Lewis and Clark Exposition at Portland

with maps, photographs and descriptive articles. It will be a necessary guide and handbook to everyone who visits the Exposition, the best souvenir for those who cannot go.

THE WORLD'S WORK

draws its inspiration from the same indomitable spirit of progress that has transformed the Northwest from a wilderness to a great civilized empire. Each month it describes the vital things in the world's life and the men who are doing them. It is a history of our own time—superbly illustrated.

Every Family in the Northwest Should Read THE WORLD'S WORK

DOUBLEDAY, PAGE & COMPANY, 133-137 East 46th St., New York

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation. For sale by C. F. Moore & Co.

Some people are more discouraged by the success of others than by their own failures.

Peculiar Disappearance.

J. D. Runyan, of Butteville, O., laid the Peculiar disappearance of his painful symptoms, of indigestion and biliousness, to Dr. King's New Life Pills. He says: "They are a perfect remedy, for dizziness, sour stomach, headache, constipation, etc." Guaranteed at F. H. Caldwell & Co's drug store, price 25c.

A man never realizes the true worth of his wife until she gets sick and he has to cook his own meals.

A Touching Story

Is the saving from death, of the baby girl of Geo. A. Ryler, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve a cough or cold. At F. H. Caldwell & Co's. drug store; 50c and \$1.00 guaranteed. Trial bottle free.

Take Kodol After Eating.

After a hearty meal a dose of Kodol Dyspepsia Cure will prevent an attack of indigestion. Kodol is a thorough digestant and a guaranteed cure for indigestion, dyspepsia, gass on the stomach, weak heart, sour risings, bad breath, and all stomach troubles. L. A. Soper of Little Rock, Ky., says: "Kodol Dyspepsia Cure deserves all the commendation that can be given it, as it saved the life of our little girl when she was three years old. She is now six and we have kept it for her constantly. But, of course, she only takes it now when anything disagrees with her. We feel grateful for the benefit derived from its use and would not be without it." Sold by F. H. Caldwell & Co.

The man who likes his work well enough to keep everlastingly at it, and takes pains at every turn, is a safe sort of genius to tie to.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and a danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by C. F. Moore & Co.
