**\$1.00 Per Year in Advance.**

THURSDAY, JANUARY 12, 1906.

All candidates for the office of city marshal will please arise and be counted.

With this issue our readers may bid a fond farewell to the delinquent tax list on the last page of the Graphic.

Here it is away along in January and no announcement has been made of the new styles in appendicitis for 1906.

If you want to vote when election day comes around, register. Don't put it off and make a lot of extra work when you present your ballot.

Let mention be made of the probability of the name of a Newberg citizen being placed in the "Hall of Fame," and all eyes are turned toward A. P. Oliver, patriot and philanthropist.

It has been suggested that the parties who are fighting the improvement of First street might take an early morning walk up the middle of Main street. It will not only furnish recreation, but the opportunity will be excellent for making comparisons. Don't hesitate gentlemen, "it will all come out in the wash."

The new senator from Oregon is a Hoosier by descent, but it is to be hoped that he will not follow in the footsteps of Senator Beveridge on that account.—Los Angeles Times.

Oregonians are not inclined to worry over the matter of whose footsteps the new senator follows but they may thank their stars if he makes as good a record as Beveridge has to his credit.

The Graphic knows nothing of the views of the city council as it will be constituted the coming year, regarding the appointment of marshal, but it is doubtful about their being able to select a man who will take more interest in the improvement of the streets than the present incumbent. He has demonstrated that he knows how to do efficient work and he has shown a willingness to do it.

Editor Porter, of the Oregon City Enterprise, has announced himself as a republican candidate for the office of state senator for Clackamas county, in opposition to Brownell, and he is already showing some very good fighting qualities. Since Clackamas is the political enigma of the state of Oregon, this scrap between Porter and Brownell will be watched with a good deal of interest.

**The Grip.**

"Before we can sympathize with others, we must have suffered ourselves." No one can realize the sufferings attendant upon an attack of the grip, unless he has had the actual experience. There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands who have used this remedy, not one case has ever been reported that has resulted in pneumonia or that has not recovered. For sale by C. F. Moore.

Blood is not much thicker than water when money is at stake.

The secret of successfully riding the system of a cold is a thorough evacuation of the bowels. Kennedy's Laxative Honey and Tar does this—Liquid Cold Cure, drives all cold out of the system. Best for coughs, croup, etc. Sold by F. H. Caldwell.

Never look for truth on a tombstone.

For coughs and colds no remedy is equal to Kennedy's Laxative Honey and Tar. It is different from all others—better, because it expels all cold from the system by acting as a cathartic on the bowels. Affords immediate relief in croup, coughs, colds, whooping cough, etc.

Children love it. Sold by F. H. Caldwell.

Perfection can only be attained in the physical by allowing nature to appropriate and not dissipate her own resources. Cathartics gripe, weaken—dissipate, while DeWitt's Little Early Risers simply expel all putrid matter and bile, thus allowing the liver to assume normal activity. Good for the complexion. Sold by F. H. Caldwell.

Every man pays for what he gets in some kind of coin.

The soothing and comforting effects of DeWitt's Witch Hazel Salve, when applied to piles, sores, cuts, boils, etc., subdues pain almost instantly. This salve draws out the inflammation, reduces swelling and acts as a rubefacient, thus circulating the blood through the diseased parts, permitting or aiding nature to permanently remove the trouble entirely. Sold by F. H. Caldwell.

A man may be measured by the things he seeks.

Indigestion is easily overcome by the use of Kodol Dyspepsia Cure, because this remedy digests what you eat and gives the stomach a rest—allows it to recuperate and grow strong again. Kodol relieves indigestion, belching of gas, sour stomach, heartburn, etc., and enables the digestive organs to transform all foods into the kind of rich red blood that makes health and strength. Sold by F. H. Caldwell.

It is easy to mistake gas works for good works.

A reasonable amount of food thoroughly digested and properly assimilated will always increase the strength. If your stomach is a "little off" Kodol Dyspepsia Cure will digest what you eat and enable the digestive organs to assimilate and transform all foods into tissue building blood. Kodol relieves sour stomach, belching, heartburn and all forms of indigestion. Palatable and strengthening. Sold by F. H. Caldwell.

Chamberlain's Cough Remedy Absolutely Harmless.

Every Mother should know that Chamberlain's Cough Remedy is perfectly safe for children to take, as it contains nothing harmful. For sale by C. F. Moore.
