The secret of successfully ridding
the system of a cold is a thorough
evacuation of the bowels. Ken-
nedy's Laxative Honey and Tar
does this—Liquid Cold Cure, drives
all cold out of the system. Best for
coughs, croup, etc. Sold by F. H.
Caldwell.

When a man reaches the age of
about forty years, he then spends
much of his time taking inven-
tory of those things which he
thought he knew, and sifting
out that which is of no account.

Indigestion is easily overcome by
the use of Kodol Dyspepsia Cure,
because this remedy digests what
you eat and gives the stomach a
rest—allows it to recuperate and
grow strong again. Kodol relieves
indigestion, belching of gas, sour
stomach, heartburn, etc., and en-
ables the digestive organs to trans-
form all foods into the kind of rich
red blood that makes health and
strength. Sold by F. H. Caldwell.

Nine times out of ten the doctor
doesn't know what is the matter
with the patient—but he knows
enough not to say so.

A reasonable amount of food
thoroughly digested and properly
assimilated will always increase the
strength. If your stomach is a
"little off" Kodol Dyspepsia Cure
will digest what you eat and en-
able the digestive organs to as-
similate and transform all foods into
tissue building blood. Kodol re-
lieves sour stomach, belching,
heartburn and all forms of indig-
estion. Palatable and strengthen-
ing. Sold by F. H. Caldwell.

ministration.

The soothing and comforting ef-
fects of DeWitt's Witch Hazel
Salve, when applied to piles, sores,
cuts, boils, etc., subdues pain al-
most instantly. This salve draws
out the inflammation, reduces swell-
ing and acts as a rubefacient, thus
circulating the blood through the
diseased parts, permitting or aiding
nature to permanently remove the
trouble entirely. Sold by F. H.
Caldwell.

Spoiled Her Beauty.

Harriett Howard, of W. 34th
street, New York, at one time had
her beauty spoiled with skin trouble.
She writes: I had salt rheum or
Eczema for years, but nothing
would cure it, until I used Buck-
len's Arnica Salve." A quick and
sure healer for cuts, burns and
sores. 25c at F. H. Caldwell's

Perfection can only be attained
in the physical by allowing nature
to appropriate and not dissipate her
own resources. Cathartics gripe,
weaken—dissipate, while DeWitt's
Little Early Risers simply expel all
putrid matter and bile, thus allow-
ing the liver to assume normal
activity. Good for the complexion.
Sold by F. H. Caldwell.

Pleasant and Most Effective.

T. J. Chambers, editor Vindi-
cator, Liberty, Texas, writes De-
cember 25, 1902: "With pleasure
and unsolicited by you, I bear testi-
mony to the curative power of Bal-
lard's Horehound Syrup. I have
used it in my family and can cheer-
fully affirm it is the most effective
and best remedy for coughs and
colds I have ever used."

Dangers of a Cold and How to Avoid Them.

More fatalities have their origin
in or result from a cold than from
any other cause. This fact alone
should make people more careful
as there is no danger whatever from
a cold when it is properly treated
in the beginning. For years Cham-
berlain's Cough Remedy has been
recognized as the most prompt and
effective medicine in use for this
disease. It acts on nature's plan,
loosens the cough, relieves the
lungs, opens the secretions and aids
nature in restoring the system to a
healthy condition. Sold by C. F.
Moore.

Sickenings Shivering Fits

Of ague and malaria can be re-
lieved and cured with Electric Bit-
ters. This is a pure tonic medicine;
of especial benefit in malaria, for it
exerts a true curative influence on
the disease, driving it entirely out
of the system. It is much to be
preferred to quinine, having none
of this drug's bad after-effects. E.
S. Munday, of Henrietta, Texas,
writes: "My brother was very low
with malarial fever and jaundice,
till he took Electric Bitters, which
saved his life. At F. H. Cald-

anteed.
