Financial Statement.

By request of my creditors I make this statement: I rented the Samuel Parrish farm in the year 1903, late in Autumn for the term of 5 years. I then had \$200 worth of property. Mr. Parrish sold me \$280 worth more and signed a joint note to J. I. Hash for \$200. Mr. Parrish took the money and I took his property in trust. Last fall as this note held by Mr. Hash became nearly due, Mr. Parrish paid it off and collected his rents and a balance, then due him, of \$32. This compelled me to sell off my property and he took \$396 and we closed our accounts, excepting I claim \$226 for improvements made on his farm, and I left the furniture in the house until attached by Porter & Larkin to insure a settlement. I understand that Mr. Parrish paid my taxes or had the team assessed to him last year. It appears that I am not competent to do business and it may be necessary for the court to appoint a guardian for me. In conclusion will say that my liabilities do not exceed \$220.

Invaluable for Rheumatism.

I have been suffering for the past few years with a severe attack of rheumatism and found that Ballard's Snow Liniment was the only thing that gave me satisfaction and tended to alleviate my pains. March 24 '02; John C. Degnan, Kinsman, Illinois. 25c, 50c and \$1. Sold by Chas. F. Moore.

When a woman sweeps a room with her husband sitting in it, she may not feel it, but she always looks mighty vindictive.

Cured Consumption.

Mrs. B. W. Evans, Clearwater, Kansas, writes: "My husband lay sick for three months. The doctors said he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago and since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal. 25c, 50c and \$1. Sold by Chas. F. Moore.

When people say anything good about you, ever notice what a few are present?

Always Keep Chamberlain's Cough Remedy in His House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually at our home," says W. W. Kearney, editor of the Independent, Lowry City, Missouri. That is what every family should do. When kept at hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is also without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale by C. F. Moore.

Deceit is the poorest kind of diplomacy.

Afflicted With Rheumatism.

"I was and am yet afflicted with rheumatism," says Mr. J. C. Bayne, editor of the Herald, Addington, Indian Territory. "But thanks to Chamberlain's Pain Balm am able once more to attend to business. It is the best of liniments." If troubled with rheumatism give Pain Balm a trial and you are certain to be more than pleased with the prompt relief which it affords. One application relieves the pain. For sale by C. F. Moore.

There are no private cars on the heavenly road.

A Hint to Travelers.

While in Suffolk, Va., Henry Croll, Jr., proprietor of the Beaverton, Mich., Hardware Co., was taken very sick with bowel trouble. A traveling salesman from Saginaw, Michigan, advised him to get a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which he did. "It soon cured me,

and I take pleasure in recommending it," he says. No one should leave home on a journey without a bottle of this remedy. It is almost sure to be needed and is not obtainable while on steamship or cars. Sold by C. F. Moore.

A stormy life is almost sure to find a serene death.

Doctors Are Puzzled.

The remarkable recovery of Kenneth McIver, of Vanceboro, Maine, is the subject of much interest to the medical fraternity and a wide circle of friends. He says of his case: "Owing to severe inflammation of the throat and congestion of the lungs, three doctors gave me up to die, when, as a last resort, I was induced to try Dr. King's New Discovery and I am happy to say, it saved my life." Cures the worst Coughs and Colds, Bronchitis, Tonsillitis, Weak Lungs, Hoarseness and La Grippe. Guaranteed at F. H. Caldwell & Co's. drug store. 50c and \$1. Trial bottle free.

True self-respect is never built on comparisons.

Torture by Savages.

"Speaking of the torture to which some of the savage tribes in the Philippines subject their captives, reminds me of the intense suffering I endured for three months from inflammation of the kidneys," says W. M. Sherman, of Cushing, Maine. "Nothing helped me until I tried Electric Bitters three bottles of which completely cured me." Cures liver complaint, dyspepsia, blood disorders and malaria; and restores the weak and nervous to robust health. Guaranteed by F. H. Caldwell & Co. druggist. Price 50c.

Never watch others, unless you are prompted by the desire to find something to applaud.

Do Not Neglect a Bad Cold.

Never allow a cold to take its course. Too often at this season of the year its course is toward pneumonia. Chamberlain's Cough Remedy will promptly cure your cold and counteract any tendency in this direction. There is nothing better for acute throat and lung troubles. For sale by C. F. Moore.

A Scientific Wonder

The cures that stand to its credit make Bucklen's Arnica Salve a scientific wonder. It cured E. R. Mulford, lecturer for the patrons of husbandry, Waynesboro, Pennsylvania, of a distressing case of piles. It heals the worst burns, sores, boils, ulcers, cuts, wounds, chilblains and salt rheum. Only 25c at F. H. Caldwell & Co's. drug store.
