Newby-Gause Nuptials.

In the presence of relatives and a very few intimate friends, numbering about thirty in all, a pretty wedding ceremony was performed at eight o'clock Tuesday morning at the home of Mr. and Mrs. S. F. Gause, by which their daughter Lucy May was made the wife of Emmer A. Newby, Pres. H. Edwin McGrew officiating. The rooms of the Gause home were very tastefully decorated for the occasion with maiden hair fern and mock orange. Following the ceremony a wedding breakfast was served on small tables placed in different rooms. Mr. and Mrs. Newby left on the noon boat for Salem and from thence went to the Newby home near Turner where they remain for a time at least. A company of college friends gathered at the landing to see them off, and with a goodly supply of rice and old shoes manifested full unity with the action taken.

Both the bride and groom are graduates of Pacific College, and were popular with their student associates. Theirs is the second wedding to take place within the alumni of the college. The bride has long been one of the most faithful workers of her church and C. E. society, among the young people, and as such will be greatly missed. We can console ourselves only with the thought that Newberg's loss is Emmer's gain, wave our handkerchiefs to the departing young couple and shout "Bon Voyage."

Oregon Young Ladies To Jamestown Exposition Free.

One of the biggest schemes for advertising Oregon has been undertaken in Portland by Philip S. Bates publisher of Oregon's great agricultural monthly the Pacific Northwest. The proposition is nothing less than the taking of thirty-three young ladies, one from each county of the state, to the Jamestown exposition which will open May 15th at Jamestown, Virginia. The exposition is to commemorate the first settlement of the English in the United States which took place in 1607. This historical event in the history of our country is one which gives opportunity for a wonderful exploitation of the great strides which have taken place in the past 300 years and the Jamestown exposition, from an educational standpoint, will no doubt prove an exceptional undertaking along these lines. One farmer's

daughter from each county in Oregon will be taken by Mr. Bates. She will carry a large amount of literature for general distribution along the lines of travel which it is expected our Boards of Trade will furnish.

The method of choosing a candidate rests wholly with the farmers' daughters of each county. They are all entitled to compete for the honor. It is a simple proposition depending on the number of subscriptions sent in by the candidates. The cost of the paper is fifty cents a year and from our knowledge is fully worth a dollar. All expenses will be paid and the estimated cost of the trip is over \$10,000. It will prove a wonderful advertisement for our county as Mr. Bates makes no charge for the work he will do for us and we trust his efforts to make Oregon better known throughout the United States will receive the support of every one in the county.

Flag Anniversary.

June 14, 1906 is the 129th birthday anniversary of our flag. The Woman's Relief Corps requests all its members, and all other citizens of Newberg to display the flag from their homes and places of business.

She's up there—Old Glory—
How bright the stars gleam!
And the stripes, like red signals of liberty gleam!
And we dare for her living,
Or dream the last dream.

'Neath the flag of our country forever.

Clean Up Morals, Manners and Streets.

Newberg has a few places of business, open on Sunday, in defiance of the law of God to "Remember the Sabbath day to keep it holy," and the laws of the land which read that grocery stores and all places of business, open for traffic, on Sunday, shall be fined." We voice the sentiment of a majority of our citizens when we, as members of the W. C. T. U., ask that all places of business be closed on Sunday.

Which shall it be? The dancing school Wednesday evening or the prayer meeting? The hall dancing parties Saturday evenings, sometimes extending into the Sabbath, or a pleasant evening spent at home or with friends in pure, refining conversation or a good book which is always a real friend?

The pupils of our schools are taught to put their waste paper in baskets that their rooms may present a clean appearance but look at the papers and other rubbish strewn along First and Main streets. Let us set a good example to our children by making our streets and property tidy and respectable.

Yours for law and order,
NEWBERG W. C. T. U.

A New O. R. & N. Train on Upper Columbia.

The new local Upper Columbia River Train put on by the Oregon Railroad & Navigation Company, May 20, will do much toward attracting tourists to points along the river between Portland and The Dalles. The new train leaving Portland as it does, at 8.15 a. m. and arriving at Portland at 6 p. m. the same day, gives one an opportunity to spend the day at some of the delightful places along the Upper Columbia River, and permits them to return home the same day.

There are many beautiful places along the river, such as, Rooster Rock, Latourelle, Multnomah Falls, Bonneville, at which a day's outing and picnic can be enjoyed to the uttermost and this new service makes it possible to take such outings, whereas, in the past, when the service has been performed by the heavy through trains, it has not been possible to do it.

Ancient Rome

Is now merely a memory of the past. Ballard's Snow Liniment is the family liniment of the twentieth century. A positive cure for rheumatism, burns, cuts, sprains, neuralgia, etc. Mr. C. H. Runyon, Stanberry, Missouri, writes: "I have used Snow Liniment for rheumatism and all pain. I can't say enough in its praise." Sold by Chas. F. Moore.

It is a noticeable fact that the big advertiser can afford to do it. The business man who waits "until he is able" seldom ever reaches that goal.

There Are Few

People who know how to take care of themselves—the majority do not. The liver is a most important organ in the body. Herbine will keep it in condition. V. C. Simpkins, Alba, Texas, writes: "I have used Herbine for chills and fever and find it the best medicine I ever used. I would not be without it. It is as good for children as it is for grownup people, and I recommend it. It is fine for the grippe. Sold by Chas. F. Moore.

"Promise me, Jack, that you will not go to the dogs just because I have refused you."

"Oh, pshaw, of course not."

"You mean thing!"

Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the house and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by C. F. Moore.

Men who can pass their ignorance off for eccentricity are born diplomats.

The Very Best Remedy for Bowel Trouble.

Mr. M. F. Borrowings, an old and well known resident of Bluffton, Indiana, says: I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it." For sale by C. F. Moore.

Some girls cry for help when a young man tries to kiss them, but the majority let him help himself.

Deadly Serpent Bites.

Are as common in India as are stomach and liver disorders with us. For the latter, however, there is a sure remedy: Electric Bitters; the great restorative medicine, of which S. A. Brown, of Bennettsville, S. C., says: "They restored my wife to perfect health, after years of suffering with dyspepsia and a chronically torpid liver." Electric Bitters cure chills and fever, malaria, biliousness, lame back, kidney troubles and bladder disorders. Sold on guarantee by F. H. Caldwell & Co. druggist. Price 50c.

How To Break Up a Cold.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time. To do this, however, prompt action is necessary. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's Cough Remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. For sale by C. F. Moore.

It takes a born diplomat to yield gracefully to the inevitable.

Following the Flag.

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired commissary sergeant U. S. A., of Rural Route 1, Concord New Hampshire, says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed at F. H. Caldwell & Co's. druggist. Price 50c and \$1. Trial bottle free.

Too many people expect others to do more for them than they are willing to do for themselves.

Sore Muscles.

Prominent athletes throughout the country find that the best treatment for sore muscles after severe exercise or hard work of any kind, is a hot bath at bed time, which opens the pores. This should immediately be followed with an application of Chamberlain's Pain Balm vigorously rubbed into the skin. This liniment removes all stiffness and soreness and has become a favorite rub down, as it acts promptly and keeps the muscles in excellent condition. For sale by C. F. Moore.

Bait your hook with flattery if you would catch silly women.

Death From Lockjaw

Never follows an injury dressed with Bucklen's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, merchant, of Rensselaersville, New York, writes: "It cured Seth Burch, of this place, of the ugliest sore on his neck I ever saw." Cures cuts, wounds, burns, and sores. 25c at F. H. Caldwell & Co's drug store.

He—"You know some one has said: 'If you would make a lasting pair of shoes take for the sole the tongue of a woman.'"
She—"Yes; and for the uppers, the cheek of the man who said it."

An Alarming Situation

Frequently results from neglect of clogged bowels and torpid liver, until constipation becomes chronic. This condition is unknown to those who use Dr. King's New Life Pills; the best and gentlest regulators of stomach and bowels. Guaranteed by F. H. Caldwell & Co.

An ounce of Prevention is worth a pound of Cure.

HERBINE

TRADE MARK

is worth more to ones health than any other medicine known. Do not fill your stomach with arsenic, calomel, quinine and debilitate the system, leaving symptoms that it takes years to obliterate. Herbine is purely vegetable containing nothing injurious, and is a gentle harmless purgative.

CURES CONSTIPATION, CHILLS AND FEVER, DYSPEPSIA, MALARIA AND ALL LIVER COMPLAINTS.

Does More Than We Claim.

Don C. Morrison, Kissimmee, Fla. writes: "I have used several bottles of Herbine myself and have advised several of my friends to use same. I have found it to be the best medicine for the liver I ever used. It acts gently at the same time thoroughly."
