The Last Day.

As "the night brings out the stars" exercises of our public schools bring out the fond papas and mammas, uncles, aunts and cousins, and the high school public given in Duncan's hall on Friday evening of last week was no exception to the rule. Every seat in the hall was taken and standing room was in demand. A glance at the class roll shows the names of ten girls and four boys, a repetition of conditions found everywhere. The majority of the boys fall by the wayside before the course is completed while the girls are on deck at the finish.

The Pacific College scholarship was awarded to Grace Stone and the Albany College scholarship to Tom Higgins.

The address to the class, delivered by Rev. F. H. Adams, pastor of the Baptist church of McMinnville, was of a very high order and was well received by all who heard it.

Warded Off.

Dr. Bowers warded off an impending attack of epilepsy in one of his patients this morning. He has done the same in three cases before in Missouri and Indiana. One patient subject to epileptic attacks whom he treated two months over a year ago here, has had them much less frequently and they have been much less severe since. They had come twice per month, now they are over three months apart.

Mrs. Tangen is expected home from her visit in Washington this week.

Don Chase who has been working up in Washington, has now gone to Astoria to work. Before his return he expects to visit Warrenton and Seaside, thus obtaining another view of "Old Ocean."

Mr. and Mrs. H. Chase entertained seventeen relatives at their home Tuesday afternoon and evening in honor of eastern friends, Mr. and Mrs. Joe Alger, of Wisconsin, who are visiting at the home of Mr. J. C. Wills.

The W. C. T. U. met as appointed last week with Mrs. Paulsen. Money to the amount of ten dollars and thirty cents was raised to contribute to the Willard Temple, Chicago. After a business session the hostess served nice refreshments.

Mr. Amos Stanbrough closed last Friday, a successful term of school and to show their appreciation the directors made out the contract to him for another year, at the annual school meeting held at the school house Monday. Enos Ellis was re-elected school director.

Don't Watch the Clock.

How many of us when practicing music, studying or doing work of any kind watch the clock? Thomas A. Edison's advice to a young person who queried him of advice as to his success, "Don't watch the clock," deserves a place in the rules of any young person who is ambitious and striving for success in any line. Don't be a timeserver. Remember that you are working for something more than a stipulated sum for a certain number of hours. Keep your employer in your debt by doing a little better work than is actually required of you, and sooner or later there will come a day of reckoning when you will get your pay.—Ex.

Ancient Rome

Is now merely a memory of the past. Ballard's Snow Liniment is the family liniment of the twentieth century. A positive cure for rheumatism, burns, cuts, sprains, neuralgia, etc. Mr. C. H. Runyon, Stanberry, Missouri, writes: "I have used Snow Liniment for rheumatism and all pain. I can't say enough in its praise." Sold by Chas. F. Moore.

"Dear John," wrote Mrs. Newlyn from the shore, "I inclose the hotel bill." "Dear Jane, I inclose check," wrote John, "but please don't buy any more hotels at this price—they are robbing you."

There Are Few

People who know how to take care of themselves—the majority do not. The liver is a most important organ in the body. Herbine will keep it in condition. V. C. Simpkins, Alba, Texas, writes: "I have used Herbine for chills and fever and find it the best medicine I ever used. I would not be without it. It is as good for children as it is for grownup people, and I recommend it. It is fine for la grippe. Sold by Chas. F. Moore.

Church—Are you acquainted with Flapbush? Gotham—Oh, yes; why we sleep in adjoining pew!

Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the house and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by C. F. Moore.

Miss Pacey—A fortune teller has told me where I should find my future husband. Mrs. Situplate—Goodness! Give me her address at once. Perhaps she could tell me where my present one is.

The Very Best Remedy for Bowel Trouble.

Mr. M. F. Borroughs, an old and well known resident of Bluffton, Indiana, says: "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it." For sale by C. F. Moore.

Deadly Serpent Bites.

Are as common in India as are stomach and liver disorders with us. For the latter, however, there is a sure remedy: Electric Bitters; the great restorative medicine, of which S. A. Brown, of Bennettsville, S. C., says: "They restored my wife to perfect health, after years of suffering with dyspepsia and a chronically torpid liver." Electric Bitters cure chills and fever, malaria, biliousness, lame back, kidney troubles and bladder disorders. Sold on guarantee by F. H. Caldwell & Co. druggist. Price 50c.

How To Break Up a Cold.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two day's time. To do this, however, prompt action is necessary. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's Cough Remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. For sale by C. F. Moore.

"Do you think the widow will break his will?" "Won't be necessary. She did that long before she became a widow."

Following the Flag.

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired commissary sergeant U. S. A., of Rural Route 1, Concord New Hampshire, says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed at F. H. Caldwell & Co's. druggist. Price 50c and \$1. Trial bottle free.

Christian Science Mother—Eleanor, what is the matter? Christian Science Child—Oh, mamma, I got a terrible error of the mind in my stomach.

Sore Muscles.

Prominent athletes throughout the country find that the best treatment for sore muscles after severe exercise or hard work of any kind, is a hot bath at bed time, which opens the pores. This should immediately be followed with an application of Chamberlain's Pain Balm vigorously rubbed into the skin. This liniment removes all stiffness and soreness and has become a favorite rub down, as it acts promptly and keeps the muscles in excellent condition. For sale by C. F. Moore.

Sporting Customer—A pound of cheese, please. Grocer—Gonzola or Cheddar? Sporting Customer—Oh, I don't care. Start 'em both across the counter and I'll take the winner.

Death From Lockjaw

Never follows an injury dressed with Bucklen's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, merchant, of Rensselaersville, New York, writes: "It cured Seth Burch, of this place, of the ugliest sore on his neck I ever saw." Cures cuts, wounds, burns, and sores. 25c at F. H. Caldwell & Co's drug store.

An Alarming Situation

Frequently results from neglect of clogged bowels and torpid liver, until constipation becomes chronic. This condition is unknown to those who use Dr. King's New Life Pills; the best and gentlest regulators of stomach and bowels. Guaranteed by F. H. Caldwell & Co.

One Who Knows.
J. G. Scott, Salt Lake City, Utah, writes: "I cannot too highly praise your Ballard's Snow Liniment for the relief of acute rheumatism, caused by sudden change and exposure to the weather. I also recommend your Ballard's Horehound Syrup for coughs and colds. These used together defy all pain."
