The Country Telephone.

The farmer's wife has a new resource. Her lot has been improved in many ways in the last ten years. The "separator" and the creamery have relieved her of the severest toil of the dairy. The rural free delivery brings magazines and newspapers to her door. Lately the telephone has put her within visiting distance of her neighbors.

The nearest farmhouse may be half a mile away, and the village three miles. The lines of poles and the wires, perhaps merely drawn her into an intimate relation to both, unknown to her before. To one who has never experienced the solitude of the farm it is hard to realize the joy of the wife and mother at being able to consult a friend about the cut of the baby's coat, the recipe for mince pies or the dose of cough syrup.

The demand for the telephone in the country is imperative. "Everybody's got one," said the village storekeeper to the city visitor. "Why, there's three families that's being helped by the town, and every one of 'em has got a telephone. Old Miss Bearce says she'd rather go without her victuals than have the telephone taken out!"

What a testimony to the desire for human companionship! The gossiping instinct, some cynical critic will say. But, after all, what is that but the wish to compare notes on the perennially interesting study of human nature—a study as fascinating to the unknown countrywoman as to the famous psychologist?—Youths Companion.

Ancient Rome

Is now merely a memory of the past. Ballard's Snow Liniment is the family liniment of the twentieth century. A positive cure for rheumatism, burns, cuts, sprains, neuralgia, etc. Mr. C. H. Runyon, Stanberry, Missouri, writes: "I have used Snow Liniment for rheumatism and all pain. I can't say enough in its praise." Sold by Chas. F. Moore.

It is announced that the pump trust will increase its capital stock by some eight million dollars. We refrain from making the usual watery remarks which might be suggested in this connection.

There Are Few

People who know how to take care of themselves—the majority do not. The liver is a most important organ in the body. Herbine will keep it in condition. V. C. Simpkins, Alba, Texas, writes: "I have used Herbine for chills and fever and find it the best medicine I ever used. I would not be without it. It is as good for children as it is for grownup people, and I recommend it. It is fine for la grippe." Sold by Chas. F. Moore.

The Muck Rake writers are said to be going after the fertilizer trust; probably not however, tooth and nail.

Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the house and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by C. F. Moore.

"Besides labeling my medicine bottles conspicuously," says one woman, "I stick a large headed pin in the corks of all bottles containing poison. Thus they can at no time be mistaken."

The Very Best Remedy for Bowel Trouble.

Mr. M. F. Borroughs, an old and well known resident of Bluffton, Indiana, says: "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it." For sale by C. F. Moore.

Deadly Serpent Bites.

Are as common in India as are stomach and liver disorders with us. For the latter, however, there is a sure remedy: Electric Bitters; the great restorative medicine, of which S. A. Brown, of Bennettsville, S. C., says: "They restored my wife to perfect health, after years of suffering with dyspepsia and a chronically torpid liver." Electric Bitters cure chills and fever, malaria, biliousness, lame back, kidney troubles and bladder disorders. Sold on guarantee by F. H. Caldwell & Co. druggist. Price 50c.

How To Break Up a Cold.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two day's time. To do this, however, prompt action is necessary. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's Cough Remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. For sale by C. F. Moore.

"But, surely you are the man I gave some pie to a fortnight ago." "Yes, ldy; I thought p'raps you'd like to know I'm able to get about again."—Tatler.

Following the Flag.

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired commissary sergeant U. S. A., of Rural Route 1, Concord New Hampshire, says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed at F. H. Caldwell & Co's. druggist. Price 50c and \$1. Trial bottle free.

Sore Muscles.

Prominent athletes throughout the country find that the best treatment for sore muscles after severe exercise or hard work of any kind, is a hot bath at bed time, which opens the pores. This should immediately be followed with an application of Chamberlain's Pain Balm vigorously rubbed into the skin. This liniment removes all stiffness and soreness and has become a favorite rub down, as it acts promptly and keeps the muscles in excellent condition. For sale by C. F. Moore.

The Jollier—Cheer up old boy. Some day you'll get in on the ground floor.

The Jonah—If I do, I'll tumble into the cellar.—Tom Watson's Magazine.

Death From Lockjaw

Never follows an injury dressed with Bucklen's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, merchant, of Rensselaersville, New York, writes: "It cured Seth Burch, of this place, of the ugliest sore on his neck I ever saw." Cures cuts, wounds, burns, and sores. 25c at F. H. Caldwell & Co's drug store.

Angler—Do the fish bite around here?

Native—Bite? Say, stranger, we have to muzzle 'em so they won't chew up the innocent bystander."—New York Sun.

An Alarming Situation

Frequently results from neglect of clogged bowels and torpid liver, until constipation becomes chronic. This condition is unknown to those who use Dr. King's New Life Pills; the best and gentlest regulators of stomach and bowels. Guaranteed by F. H. Caldwell & Co.

An ounce of Prevention is worth a pound of Cure.

HERBINE

TRADE MARK

is worth more to ones health than any other medicine known. Do not fill your stomach with arsenic, calomel, quinine and debilitate the system, leaving symptoms that it takes years to obliterate. Herbine is purely vegetable containing nothing injurious, and is a gentle harmless purgative.

CURES CONSTIPATION, CHILLS AND FEVER, DYSPEPSIA, MALARIA AND ALL LIVER COMPLAINTS.

Does More Than We Claim.

Don C. Morrison, Klamath, Fla. writes: "I have used several bottles of Herbine myself and have advised several of my friends to use same. I have found it to be the best medicine for the liver I ever used. It acts gently at the same time thoroughly."
