

REVOLT IN FINLAND

Entire Populace Ready to Die Fighting Oppressors.

GOVERNOR ORDERS REBELS SHOT

No Distinction Made for Age or Sex—Women Are Taking Leading Part in Revolt.

Copenhagen, Aug. 9.—Legalized slaughter of Finnish women is promised if the troops carry out the orders given them by the Russian governor general yesterday. He issued a proclamation to the commanding officers of the troops, instructing them that all persons engaged in advocating and spreading the revolutionary propaganda must be shot, without regard for age or sex. Inasmuch as for the past week the loyal Finnish women have dressed themselves in garments of flaming red and paraded the streets, stopping passers-by and forcing their way into factories and shops, it is evident that the order of the governor general is directed against them.

The order followed the stabbing of the captain of a Cossack troop who attempted to arrest three women who were addressing a crowd of workmen in the market square of a Finnish town. As the trooper placed his hand upon the arm of one of them she turned, and drawing a dagger that she had concealed in her hair, ran it into his heart. With her companions she escaped, and has not been apprehended.

Other reports of similar occurrences have been received during the last three days, and, acting, it is understood, under orders received from St. Petersburg the governor general has determined upon the strictest repressive measures. All Finland is seething with revolt, and practically the entire populace is ready to sacrifice lives and property to deal blows at the military oppressors. The Russian authorities realize this, and are strengthening the garrisons of all Finnish towns. Half a dozen attempts on the lives of Russian officials have occurred recently, but none have succeeded.

CASHIER IS INNOCENT.

Officer of Defunct Chicago Bank Says President Did Looting.

Chicago, Aug. 9.—The Tribune today says:

"Henry W. Herring, cashier of the Milwaukee Avenue State bank, looted by Paul O. Stensland of over \$1,000,000, is in Chicago. He has not been out of Chicago since Monday morning. The police department can call in its circulars, take its detectives off the trail and rest assured in the belief that at 1 o'clock tomorrow, or rather one minute after 1, Mr. Herring will be in the custody of Inspector Shippy. Herring intends to give himself up and is absolutely confident that in a short space of time he can show to the satisfaction of every one concerned that he had no part in robbing the 23,000 depositors of the wrecked institution."

Theodore Stensland, vice president of the Milwaukee Avenue State bank, and son of the fugitive president of that institution, has come to the rescue of the 23,000 depositors, and it is the general belief of those who are endeavoring to straighten out the affairs of the bank that there is an excellent chance that all depositors will receive almost dollar for dollar when a final settlement is made. The improved condition of the bank's affairs was brought about by young Stensland, who announced that he would turn over to Receiver Fetzer all the real estate and personal property of Paul O. Stensland, his father.

The son places a valuation of \$600,000 on this collateral, and he stated that he had full authority to make a transfer of the property for the benefit of the depositors.

Canned Veal is Disguised.

Columbs, O., Aug. 9.—Reports of the analysis of 20 samples of potted ham, chicken, hamburger steak, luncheon sausage and similar preparations sold by meat packers submitted to State Dairy and Food Commissioner Ankeny today show the presence of preservatives and in some cases traces of tin and zinc poison. Some cans labeled "potted chicken" were found to contain veal. Mr. Ankeny will officially warn the manufacturers that their products will be kept out of the Ohio markets unless they comply with the law.

Drive Officers From Camp.

London, Aug. 9.—St. Petersburg correspondent of the London Daily Times telegraphs his paper that troops in Kolpino camp are in a mutinous state, caused by one of the officers shooting and killing one of the troopers. The correspondent adds that the officers have become unpopular with the men, and all of them have fled to St. Petersburg. Being without commissioned officers, the commandant ordered the regiment to return to its barracks in the city.

Loss Will Reach \$1,000,000.

Fort Worth, Tex., Aug. 9.—Reports from the floods in the territories indicate that the damage will be great. Conservative estimates place the loss up to this time at \$1,000,000, suffered mostly by the railroads.

HERING ARRESTED.

Cashier of Chicago Defunct Bank Denies His Guilt.

Chicago, Aug. 10.—Henry H. Herring, cashier of the Milwaukee Avenue State bank, which closed its doors Monday, was arrested yesterday and will be refused his release on bail until his connection with the disappearance of nearly \$1,000,000 of the bank's funds is cleared up. Paul O. Stensland, president of the defunct institution, is still a fugitive, and, although nearly 100 detectives are searching for him, his whereabouts is as much of a mystery as ever.

Herring was arrested yesterday afternoon, two hours after the time he had previously promised he would give himself up. He was taken at once to the office of Chief of Police Collins and put through a thorough examination as to his knowledge of President Stensland's mismanagement of the institution. Herring declared he did not know where Stensland was and had had no communication with him for over a week. The cashier strenuously denied the charge that he himself was partly responsible for the failure of the bank. Herring maintains that, if he is guilty of breaking the banking laws of Illinois, Stensland is responsible, as Herring in his examination declared he never benefited a single dollar by Stensland's peculiar system of banking. Bank Examiner Jones and Assistant United States Attorney Gleason were present during the examination of Herring. Neither they nor the police officials were satisfied with his explanation of his connection with the collapse of the bank, and it was accordingly decided to refuse bail until the matter had been further investigated.

TO PURCHASE SILVER.

Government Enters Market for First Time in Thirteen Years.

Washington, Aug. 10.—For the first time in 13 years the government announced today its purpose to purchase silver for coinage purposes. Tenders are invited at the office of the director of the mint in this city on Wednesday, August 15, up to 1 o'clock p. m., and every Wednesday thereafter until further notice. These tenders are to be for delivery at the Philadelphia, New Orleans or Denver mints, settlement to be on the New York basis of bullion guaranteed .999 fine. The treasury reserves the right to reject all tenders or accept such part of any tenders as may suit its convenience.

It is understood that, anticipating that its reappearance as a purchaser might temporarily disturb the market unduly, the treasury has obtained control of considerable amounts for future delivery, so that it is in a position to drop out of the market for several months if desirable. The average requirements of the treasury throughout the year will probably not exceed 100,000 ounces per week, and it will be the policy of the department, while keeping a reasonable amount on hand, to so distribute its purchases throughout the year that its demands will be uniform and not an element of uncertainty in the market.

TREAT BOTH NATIONS ALIKE

Japan Says China Allows Russia Free Trade in Manchuria.

London, Aug. 10.—In a dispatch from Tokio the correspondent of the Daily Telegraph says it is stated with authority that Japan will only consent to the establishment of a Chinese custom house at Port Dalny to levy duties on goods proceeding inland beyond the Kwan Tung peninsula on condition that a similar system be inaugurated at the southern frontier railroad stations in Northern Manchuria.

It is asserted, the correspondent continues, that at present merchandise is pouring into Manchuria over the Siberian railroad, from both European Russia and Vladivostok, without the payment of duty. It can therefore be sold very cheaply. Russia's policy, the correspondent concludes, obviously is to isolate Port Dalny and divert all the trade to Vladivostok, in order to rob Japan of the fruits of victory.

Watson is Guilty.

Portland, Aug. 9.—After being out from 5:30 Tuesday afternoon until 2 o'clock yesterday morning, the jury in the case of the United States against Charles A. Watson returned a verdict finding the defendant guilty of perjury as charged in the indictment, with a recommendation for clemency. Judge Bennett, counsel for Watson, gave notice of a motion for a new trial as soon as the verdict of the jury was recorded. He was allowed 30 days to prepare bills of exceptions in the Hendricks and Watson cases.

Largest Wool Clip Shipped.

Helena, Mont., Aug. 10.—The largest wool clip ever grown on the American continent was shipped today from Billings, this state, over the Burlington, to Boston, consigned to a wool firm there. The clip was the property of C. M. Blair, and weighed 1,500,000 pounds and 44 cars were required to carry it. It took a large force of men ten days to bale the clip. The owner has refused an offer of 24 cents a pound for it.

Bandits Rule Polish Villages.

Warsaw, Aug. 10.—The terrorists are continually attacking and robbing postoffices, government spirit shops, treasuries and the mails. The governor general has ordered that henceforth the inhabitants of villages, communities and cities in or near which such crimes occur, shall pay the losses resulting from such robberies.

ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation.

ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

Constipation.

ORINO Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different.

ORINO Laxative Fruit Syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs

can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Biliousness and Sick Headache.

Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion.

ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

OUR GUARANTEE

Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.
