Mrs. I. A. Horton returned home Tuesday evening from a business trip to Portland. She also took a trip up the Columbia to her place near Cape Horn to inspect the damage done by the new north bank railroad. At Cape Horn she found an army of men at work with the camp all lighted by electricity. The track is almost as straight as a bee line and of perfect grade.

A gentleman, who represents a firm that manufactures wood pipe for water mains was in town the first of the week in conference with the city fathers. Wood pipe costs about one half as much as steel pipe and is being used in many places. It is said that it gives satisfaction when it is made of well seasoned timber, but if the pipe shrinks before it is laid in the ground it can never be made water tight.

The Reporter says: "The local soliciting committee for the Yamhill county stock show and school fair to be held in this city September 25, 26, 27 and 28, interviewed the business men during the week. At least \$1000 will be available for entertaining the visitors who will be in the city on the above dates. There is a welcome extended to everyone. As the date will mark the close of a successful harvest season, it will be a fittingly observed harvest festival."

Don't be Blue

And loose all interest when help is within reach. Herbine will make that liver perform its duties properly. J. B. Vaughn, Elba, Alabama, writes: "Being a constant sufferer from constipation and a disordered liver, I have found Herbine to be the best medicine of its kind, and I wish all sufferers from these troubles to know the good Herbine has done me. Sold by Chas. F. Moore."

A Boston lady seeking summer board on a farm saw an advertisement giving a description of about such a place as she wanted, and sent a letter of inquiry. She received the following information as to terms:

"We charge \$5 a week for men, \$4.50 for ladies and \$4 for children old enough to eat. All ages and sexes to pay more if difficult."

"Make Hay While the Sun Shines."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. For sale by C. F. Moore.

Crafty Milliner. Really, Miss Passay, the white feather on your hat makes you look at least five years younger.

Miss Passay. Well you may—er—put a couple more white feathers on it.

In Great Demand.

The demand for Chamberlain's Colic, Cholera and Diarrhoea Remedy here has been so great that I have scarcely been able to keep it in stock. It has cured cases of dysentery here when all other remedies failed.—Frank Jones, Pikeville, Indiana. This remedy is for sale by C. F. Moore.

A Mystery Solved.

"How to keep off periodic attacks of biliousness and habitual constipation was a mystery that Dr. King's New Life Pills solved for me," writes John N. Pleasant, of Magnolia, Indiana. The only pills that are guaranteed to give perfect satisfaction to everybody or money refunded. Only 25c at F. H. Caldwell & Co's. drug store.

Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, pastor of the first M. E. church, Little Falls, Minnesota, writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." Sold by C. F. Moore.

First disconsolate widow. Are you going to the medium's tonight to see if you can get a message from your husband?

Second disconsolate widow. No, it isn't any use to-night. Saturday night was always the night when he went off to spend his salary.

Unnecessary Expense.

Acute attacks of colic, diarrhoea and dysentery come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service in such cases if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. A dose of this remedy will relieve the patient before a doctor could arrive. It has never been known to fail, even in the most severe and dangerous cases and no family should be without it. For sale by C. F. Moore.

"No," replied the wife of the multimillionaire, "neither John nor I will ever be as happy again as we were when we lived in a five room cottage and he worked by the day, carrying with him the lunch that I prepared for him with my own hands."

"Why, dont you give away your money and return to the glad simple life?"

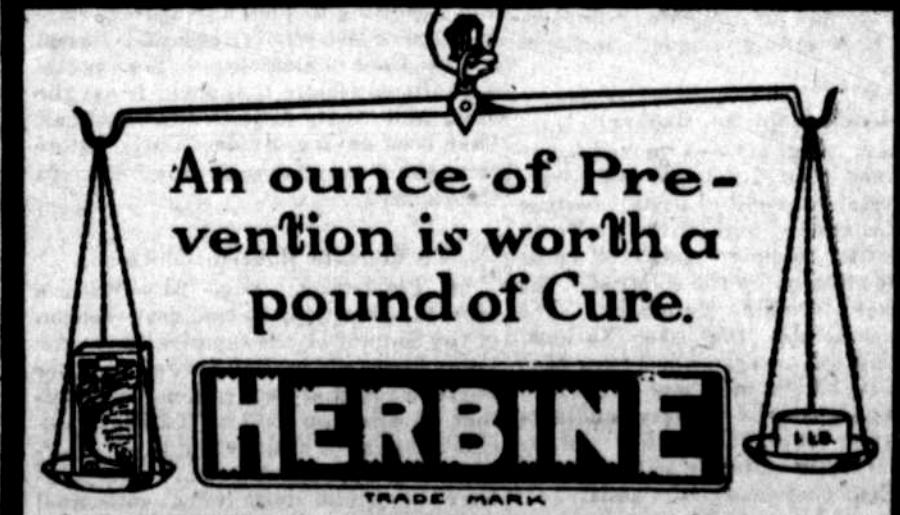

"Good heaven! Do you think we're crazy?"

The End of the World

Of troubles that robbed E. H. Wolfe, of Bear Grove, Iowa, of all usefulness, came when he began taking Electric Bitters. He writes: "Two years ago Kidney trouble caused me great suffering, which I would never have survived had I not taken Electric Bitters. They also cured me of general debility." Sure cure for all stomach, liver and kidney complaints, blood diseases, headache, dizziness and weakness or bodily decline. Price 50c. Guaranteed at F. H. Caldwell & Co's. drug store.

Mrs. Thomas Johnson Smith was being married for the fourth time in the little country church in which she had been raised. The ceremony was proceeding with all solemnity, until the minister reached the point, "Who gives this woman to this man to be his wife?" and a voice away back in the congregation replied, "I generally do."

An ounce of Prevention is worth a pound of Cure.

HERBINE

is worth more to ones health than any other medicine known. Do not fill your stomach with arsenic, calomel, guaiac and debilitate the system, leaving symptoms that it takes years to obliterate. Herbine is purely vegetable containing nothing injurious, and is a gentle harmless purgative.

CURES CONSTIPATION, CHILLS AND FEVER, DYSPEPSIA, MALARIA AND ALL LIVER COMPLAINTS.

Does More Than We Claim.

Don C. Morrison, Kissimmee, Fla. writes: "I have used several bottles of Herbine myself and have advised several of my friends to use same. I have found it to be the best medicine for the liver I ever used. It acts gently at the same time thoroughly."
