

Discuss the Boys' Clothes Question with Us

We can tell you most about the clothes your boys should wear, and can show you most in the way of clever workmanship, durable fabrics and reliable, honest merchandise.

At one time and another all the clothing makers in America have given us the opportunity to look at their goods and handle their line. We have had our choice of all the lines made, and have selected as the one brand representing the high standard of quality and reliability that made by Ederheimer, Stein & Co. under their famous label XTRAGOOD.

The XTRAGOOD brand has given satisfaction to more people than any other brand of boys' clothes. More XTRAGOOD clothes are worn than any other kind. People who know about the different grades of boys clothing prefer to buy XTRAGOOD. It is guaranteed absolutely; maker and furnisher both pledge you full satisfaction.

For these reasons it will pay you to talk over with us the style your boy could wear, the pattern that will best suit him and the price you should pay. Discuss these matters at once and in our store.
