### Always was Sick.

When a man says he always was sick—troubled with a cough that lasted all winter—what would you think if he should say he never was sick since using Ballard's Horehound Syrup. Such a man exists. Mr. J. C. Clark, Denver, Colorado, writes: "For years I was troubled with a severe cough that would last all winter. This cough left me in a miserable condition. I tried Ballard's Horehound syrup and have not had a sick day since. That's what it did for me. Sold by Chas. F. Moore."

### Clubbing Rates.

The Weekly Oregonian \$1.50, the Graphic \$1.00—the two for \$2.00.

### Chamberlain's Pain Balm.

There is no danger from blood poison resulting from a cut or wound of any kind, when Chamberlain's Pain Balm is used. It is an antiseptic dressing and should be in every household. For sale by C. F. Moore.

When men become suddenly good they should be executed immediately.

### In Time of Peace.

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it is contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by C. F. Moore.

### Sells More of Chamberlain's Cough Remedy than of all Others Put Together.

The following letter from a locality where Chamberlain's Cough Remedy is well known shows by the unprecedented demand for it that the medicine sells on its own merit. Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by C. F. Moore.

People who need to be continually propped up are not worth the prop.

### Be Charitable

To your horses as well as to yourself. You need not suffer from pains of any sort—your horses need not suffer. Try a bottle of Ballard's Snow Liniment. It cures all pains. J. M. Roberts, Bakersfield, Missouri, writes: "I have used your liniment for ten years and find it to be the best I have ever used for man or beast." Sold by Chas. F. Moore.

Truth never runs around asking people to believe it.

### Had a Close Call.

"A dangerous surgical operation, involving the removal of a malignant ulcer, as large as my hand, from my daughter's hip, was prevented by the application of Bucklen's Arnica Salve," says A. C. Stichel, of Miletus, West Virginia. "Persistent use of the salve completely cured it." Cures cuts, burns and injuries. 25c at F. H. Caldwell & Co's., druggist.

They also have the only original and genuine pictures of the San Francisco earthquake and will devote 20 to 30 minutes to that greatest of disasters showing the principal features. ## A GOOD DOCTOR will recommend BALLARD'S HOREHOUND SYRUP

Every cough weakens the lungs, lowers the vitality, breaks down the tissues and leaves the system in a weakened condition, causing it to be more susceptible to the consumptive germ. Ballard's Horehound Syrup will cure the cough and strengthen the system.

### The Children Like It.

Mrs. C. H. Runyon, Stanberry, Mo., writes: "I have used your Ballard's Horehound Syrup and find it a very useful medicine for coughs and colds, and in fact all lung troubles. It is very pleasant to take, and we have no trouble in inducing the children to take it. I recommend it highly."

Don't wait until that cough develops into a more dangerous malady. Save yourself and children many sick spells and insure a long and healthy life.
