The Grip.

"Before we can sympathize with others, we must have suffered ourselves." No one can realize the suffering attendant upon an attack of the grip, unless he has had the actual experience. There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands who have used this remedy, not one case has ever been reported that has resulted in pneumonia or that has not recovered. For sale by C. F. Moore.

Marriage Licenses.

Mamie E. Eversaul age 22, to Joseph W. Hess age 24.

Imperfect Digestion.

Means less nutrition and in consequence less vitality. When the liver fails to secrete bile, the blood becomes loaded with bilious properties, the digestion becomes impaired and the bowels constipated. Herbina will rectify this; it gives tone to the stomach, liver and kidneys, strengthens the appetite, clears and improves the complexion, infuses new life and vigor to the whole system. 50c a bottle. Sold by C. F. Moore.

Bishop, of Agnew, Michigan, writes: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." For sale by F. H. Caldwell & Co.
