Lame Back.

This ailment is usually caused by rheumatism of the muscles and may be cured by applying Chamberlain's Pain Balm two or three times a day and rubbing the parts

vigorously at each application. If this does not afford relief, bind on a piece of flannel slightly dampened with Pain Balm, and quick relief is almost sure to follow. For sale by C. F. Moore.

School Fair.

A school fair similar to the one held last year will be held this year. I am now working on the prize list. If anyone cares to encourage the work by offering prizes please so notify me before March 20th, at which time I hope to have the prize list completed.

I shall not furnish seed this year as many are supplied and others may secure them from the seed stores.

Much interest has already been taken in the fair and it is hoped that many more will exhibit this year than did last. If anyone has a suggestion that will make the fair better I shall be glad to have it.

A number of other counties are going to hold fairs this fall; with a year's advantage we must not let them beat "Old Yamhill."

Very truly,
L. R. ALDERMAN,
School Superintendent.
