The concert, given by the music
department of the college Friday
night drew a large and appreci-
ative audience. The program
was long but the numbers were
for the most part rendered very
creditably, reflecting credit upon
the pupils and upon Prof. Car-
rick.

On Thursday of last week Mrs.
Calvin Conlee, of Dundee, at-
tempted to take her life by drink-

he will recover soon and be in
good health again.

Newberg has something in
store in the way of an entertain-
ment which will prove to be "a
little better than seems neces-
sary." The talent has been se-
cured by the ladies of the Friends
church and will appear here on
the evening of May 17th. The
entertainers are all Portland
people who stand at the head of
the list in their particular line of
work. They are Mrs. MacGuire,
one of the most gifted readers in
the state, who is originally from
Dixie land and makes a specialty
of Southern dialect; Miss Ethel
Lytle, Portland's most popular
singer, especially of the younger
musicians, soloist of the Grace

Complaint is made that boys
and young men, as well as wo-
men, are in the habit of doing
reckless shooting about the rail-
road bridge across Chehalis
creek, thus endangering the lives
of persons who are working in
the vicinity. A hint will prob-
ably be sufficient to cause them
to desist.

possible to get the desired

of three hundred dollars. The
machine arrived Tuesday. Street

The fire alarm sounded at
about 7:30 o'clock yesterday
morning when a column of smoke
was seen rising on South Meri-
dian street. Teams were hitched
to the hose cart and hook and
ladder wagon, getting the ap-
paratus to the scene of the fire in
quick order, but not in time to
save the property, which proved to
be the house occupied by the
family of R. J. Forsyth. Mr.
and Mrs. Forsyth were in Port-
land where he had the day before
undergone a surgical operation.
The children were at home in
charge of an uncle and aunt, Mr.
and Mrs. Butts, recent arrivals
from the East. The fire was first
discovered in the roof where it
caught from the flue, by the
eldest boy Jimmie as he was get-
ting up. It was well under way
then, leaving barely time in
which to remove things from the
house. The property has here-
before been owned by Ed Par-
rish, but on the day before the
fire a transfer was made by
which it came into possession of
Jason Kellum, a new arrival.

Bitten by a Spider. Through blood poisoning caused
by a spider bite, John Washington,
of Bosqueville, Texas, would have
lost his leg, which became a mass
of running sores, had he not been
persuaded to try Bucklen's Arnica
Salve. He writes: "The first ap-
plication relieved, and four boxes
healed all the sores." Heals every
sore. 25c at F. H. Caldwell &
