

School Exhibit Day.

Last year the teachers and pupils of the public school made a great hit in their exhibit day exercises, making a gala day of it, with lots of fun and frolic for the gratification of the little folks and older ones as well. The afternoon of Friday, May 24 has been fixed as the date for similar exercises to be held this year, when they will give the visiting public the worth of their money. However it will be a free show to all and money will need be spent only at the pleasure of the visitors.

Exhibits will be made in all the rooms showing the work of the pupils, where visitors will be welcome from 1:30 to 5 and from 7 to 8:30. Last year many did not go until late in the evening and the teachers were compelled to remain on duty without rest or refreshments to wait on the crowds. In order to avoid a repetition of this the gong will be sounded at five o'clock, when the rooms will be cleared.

A field meet will be held at three o'clock in the afternoon when the students will enter into a free-for-all friendly contest in various events. The basement will be open from 3 to 9:30 in the evening where refreshments will be served.

The circus tent will be in evidence, all under the management of the athletic association and the "doors will be open" promptly at the hour of 6:30. Get your tickets early to avoid the rush.

The parade will start at seven o'clock when Louise Austin, who has been chosen as May queen, will head the procession, riding in a well decorated chariot, and attended by a bevy of maids of honor. The winding of the May pole will occur at 7:30.

Remember the date, Friday, May 24, in the afternoon, and bring your cousins, your uncles and aunts. Better than any two ring circus that ever came to town.

Explanation.

As there seems to be a misunderstanding by some of the people of Newberg, in regard to entertaining our visitors during the state encampment to be held here in June, we take this method of explaining the plan to be adopted. A committee will, in the near future, visit each home to ascertain what will furnish beds, and how many you can keep during the convention, the parties furnishing beds to receive 25c a night for each individual and for as many as you may wish to keep. Also, if you furnish board as well as lodging, you will receive 25c per meal. Let us do our best to make our visitors welcome, and comfortable. A great many guests are expected and no doubt all will have a chance to entertain as many as they can. Let Newberg's name still be, Excelsior.

Memorial and Decoration Services.

The Sabbath memorial services of the G. A. R. will be held in the M. E. church, conducted by the Rev. C. L. Hamilton, on May 26th at 11 o'clock. All denominations are cordially invited to join with us in this usual union service.

On the 30th inst all soldiers, Relief Corps, Sons of Veterans, Orders, citizens and schools, are requested to assemble on First street at 9:30 o'clock and proceed in column, pedestrians by Wynooski street and vehicles by the Portland road to the cemetery with flowers and flags, there to decorate the graves of de-

parted friends and comrades, each in their usual way. Returning for dinner and to listen to an address by an eminent speaker and other appropriate exercises at 2 o'clock in the grove if the weather is fair, otherwise in the hall.

By order of committee of arrangements.

W. C. T. U. Notes.

"More than one half of the cotton mill employees are under sixteen. They rise at half past four, have half an hour noon, and at night are too tired to undress. The average child only lives four years in the mills, they die of pneumonia and accidents. In North Carolina the children get 22 cents a day or less, for this slow torture called work." And this in the "home of the free." Think of our own children's days filled with school work and home occupations then let our love for our neighbors' children try to find a way to right this great wrong. Let us pause in our daily round of duties and think on these things. Five year old children working to earn a living for their parents, the home, the heart of the nation, is destroyed by this greed for gold. 3,000,000 boys and girls under sixteen work, day and night. In eight states children work in glass factories. Result, misery, woe and suffering.

W. C. T. U. will hold its regular meeting at the home of Maria Bowerman next Wednesday, May 22, subject, Peace and Mercy.

Newberg's New Store.

The Eilers Piano House of Portland will open, May 17, with a full carload of pianos and phonographs.

It is not necessary to explain the reputation of the Eilers Piano House, as they are known over the entire coast. The name Eilers stands for everything in highest quality and every customer is a living advertisement. Their stock will consist of all the old reliable makes, such as the Chickering, Weber, Kimball, Crown, Hobert M. Cable, Schumann, Jacob Doll, Marshall & Wendall, Bailey, Bann, Foster and many other makes. Also the pianola and pianola pianos and everything in the line of phonographs.

The public is cordially invited to come and inspect the stock and hear the wonderful pianola interpret the old master pieces. Don't forget the location, the building formerly occupied by the Newberg Land Co. Open evenings.

Very truly yours,
EILERS PIANO HOUSE.

Chehalem Center.

Miss Belle Newhouse came home lately and has been quite sick. It is hoped she will soon recover.

Mr. and Mrs. Carroll Kirk, who are visiting with the home folks, were out Sunday. Carroll, while greeting old friends, introduced his new bride to his many Chehalem Center friends.

There will be an evangelistic and Sunday school conference at the church next Sunday. The program will be given entirely by persons from other places and will be interesting and profitable. Services will begin at 10 a. m. Also afternoon and evening services. Let all come with well filled baskets and enjoy the entire day together.

Miss Hattie Atkinson made a trip to Portland last week.

Mr. and Mrs. Barnhart visited with Mrs. Barnhart's brother in Portland a few days last week.

Miss Maude Wills has been

elected for next year to teach one of the primary grades of the Hood River School.

A Communication.

To the Graphic:—No doubt most of us have noted how great is the suffering in the famine districts. We may have given something to relieve it, but just now is a critical time and those in care of the work tell us that a dollar will save a life. During the next week or ten days let us leave a contribution with the editor of the Graphic. Even the boys and girls can spare a nickel. This appeals to us all as the right thing to do. No matter what our creed, or even if we are without a creed we should help to feed the hungry.

My Best Friend.

Alexander Benton, who lives on Rural Route 1, Fort Edward New York, says: "Dr. King's New Discovery is my best earthly friend. It cured me of asthma six years ago. It has also performed a wonderful cure of incipient consumption for my son's wife. The first bottle ended the terrible cough, and this accomplished, the other symptoms left one by one, until she was perfectly well. Dr. King's New Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equaled it. Fully guaranteed by F. H. Caldwell & Co., druggist. 50c and \$1. Trial bottle free.
