GLEN GORDON FARM, DUNDEE.

Local Events.

John Goodrich and family were down from Dayton, Wednesday, visiting with relatives.

Earl Flanders, a young newspaper man from Coos Bay, was in town a day or two the first of the week.

Charley Clemenson has bought the Hiram Jones farm located on the Dayton road, south of Dundee, and better known as the Sweetman place. The consideration was \$4600.

Mrs. Ella Taylor, of Indianapolis, who has been here for several weeks visiting with her brother, J. F. Taylor, will go to Seattle Saturday to visit with another brother, before returning to her home.

The singing evangelist, Arthur Ritchey, will preach at Crater's hall Sunday morning and evening. On the following Sunday Rev. G. K. Berry, Portland editor of the Pacific Christian, will begin regular services for the Christian church in this place.

There is general rejoicing among the members of the local camp of the Woodmen of The World, over the announcement that the state convention of the order, held in Portland last week, decided to hold their next convention two years hence in Newberg.

The Edwards grove is being put in first class condition by the old veterans, for the big encampment to be held here next month. They realize that there is a lot of hard work ahead of them in order to have all in readiness and they are beginning early. Let everybody else about town make a special effort to get everything in good shape for the coming of the visitors. The crowd will be large and we want to make a favorable impression on all who come.

Letters received here this week from parties at Caldwell, Idaho, give the information that Pres. McGrew and family were pretty badly shaken up in a runaway scrape last Sunday. They were returning from church in a rig purchased the day before, when the harness broke, letting one shaft drop down, causing the horse to run. The occupants were thrown out by the overturning of the buggy and considerably bruised up. The horse went up against two wire fences and the services of a "hoss surgeon" were required to patch up the wounds received.

Prof. Eli Hadley, brother of Alonzo Hadley, who has been a teacher in the Portland schools for several years has been appointed chief probation officer of the Juvenile Court, presided over by Judge Frazer. He has tendered his resignation, as principal of the Hawthorne school, in order to take up the work at the specified time. His long experience in the management of boys in the schoolroom gives him special fitness for the position, and then he was a boy himself, several years ago, back in "old Indiana," as the writer very well remembers.

We continued this medicine until several bottles were used, when our boy was completely cured." Best of all blood medicines and body building health tonics. Guaranteed at F. H.
