restoring the Martin Cook house
which suffered from the flames
Monday.

Rev. Herbert Cash, the retir-
ing pastor of the Friends church,
will preach his farewell sermon
Sunday morning.

L. E. Brown, the tailor, has
been seriously sick for some days
and will probably be out of his
shop for some time.

are taking a look at the country.

Ernest Hill has returned from
a trip into Eastern Oregon.
While gone he and his brother,
A. T. Hill of La Grande, made
the purchase of a four hundred
acre stock farm on the John Day
river in Grant county.

A farewell reception will be
given to Rev. H. T. Cash and
wife on Friday evening of this
week from the hour of eight to
ten at the home of Mr. and Mrs.
L. M. Parker. All, irrespective
of church affiliations, are cor-
dially invited to be present.

Harrison Crater, who has been
steadily failing for some time
past, died last night. The fune-
ral services will be held in the
Friends church here to-morrow
afternoon at two o'clock and

bert Cash and Mrs. Jesse Ed-
wards.

Having decided to retire from
the live stock business in general
and the dairy business in partic-
ular, Jesse Edwards announces a
public sale of from forty to fifty
Jersey cows and heifers, some
blooded horses and colts, farm
implements etc., to take place
next Saturday, August 3rd, at
ten o'clock at the old fair
grounds at the foot of Meridian
street.

The long looked for pipe ar-
rived Saturday and after some
vexatious but unavoidable delay,
was in place in time for turning
the water from the new system
into Newberg Wednesday after-
noon and was joyfully hailed by
the city's would be water con-
sumers. Hose were quickly at-
tached over town and all hands
helped slush out the pipes to the
benefits of lawns and dusty
streets. The pressure given by
the new system is admirable.

J. C. Matteson, a popular resi-
denter of Newberg ten years ago,
since which he has been in
Louisiana most of the time re-
turned to his first love last
Thursday evening and was heartily
greeted by old time friends.
He hopes to remain if he finds a
suitable opening. He came here
directly from Southern California,
accompanied by a friend, and was
a passenger on the steamer, Geo. W. Elder,
when it went to the rescue of the
survivors of the Columbia disas-
ter. He distributed among his
friends some souvenirs of the
wreck in the way of pieces of a
life preserver which saved one of
the survivors.

J. A. Jones of Springbrook re-
turned home last week from a
three months' visit to his old
home in New Brunswick. Mr.
Jones says he noticed many
changes in that country since he
left there some twenty years ago.
Farmers are in much better con-
dition now than they were when
he left and the country generally
is in a very prosperous condition.

In speaking of the horse market
in Cleveland, Ohio, where he sold
his stallion, Capt. McKinney,
Lady Jones and Bessie Jones at
public auction in May, Mr. Jones
says the market in Portland is
much better. Good serviceable
horses sold at that sale for less
money than they would bring
here in Portland.—Rural Spirit.

T. E. Wright has his new cot-
tage well under way on north
School street.

Miss Pearl Leonard, of Cor-

o'clock a missionary meeting will
be held and a program given out
at the Chehalem Center Friends

wards be served, the proceeds to
go to the missionaries in Alaska.

The Dr. Romig home has been

daughter, Mrs. C. E. Fuller, of

She is about well again and it no
others of the family take the dis-

The Limit of Life.

The most eminent medical sci-
entists are unanimous in the con-
clusion that the generally accepted
limitation of human life is many
years below the attainment possible
with the advanced knowledge of
which the race is now possessed.
The critical period, that determines
its duration, seems to be between
50 and 60; the proper care of the
body during this decade cannot be
too strongly urged; carelessness
then being fatal to longevity. Na-
ture's best helper after 50 is Elec-
tric Bitters; the scientific tonic
medicine that revitalizes every or-
gan of the body. Guaranteed by F.
H. Caldwell & Co., druggist. 50c.

**A GOOD DOCTOR
will recommend
BALLARD'S
HOREHOUND SYRUP**

Every cough weakens the lungs, lowers the
vitality, breaks down the tissues and leaves
the system in a weakened condition, causing
it to be more susceptible to the consumptive
germ. Ballard's Horehound Syrup will cure
the cough and strengthen the system.

The Children Like It.

Mrs. C. H. Runyon, Stanberry, Mo., writes: "I have
used your Ballard's Horehound Syrup and find it a very
useful medicine for coughs and colds, and in fact all lung
troubles. It is very pleasant to take, and we have no
trouble in inducing the children to take it. I recom-
mend it highly."

Don't wait until that cough develops into a more dan-
gerous malady. Save yourself and children many sick
spells and insure a long and healthy life.

**CURES COUGHS, COLDS, SORE LUNGS,
