PUSH OREGON TO THE FRONT

AN EASY WAY TO ADVER-
TISE THE STATE.

And Tell Our Eastern Friends
All About the Superior Op-
portunities We Possess.

On April 29th last the Oregon-
ian published a special industrial
edition devoted exclusively to
the exploitation of Oregon. It
probably contained more special
and miscellaneous information
about Oregon than any one pub-
lication that has ever been is-
sued. It is peculiarly useful and
valuable to the home seeker, be-
cause it gives the latest and most
reliable information about so
many different subjects that the
homeseeker is naturally inter-
ested in. Almost every depart-
ment of industry is specialized,
and both descriptive and statis-
tical information of a highly
valuable character is given ex-
tensively and in entertaining
form.

Residents of Oregon who know
its advantages as compared with
the congested and depleted East,
and who still have friends back
there whom they would like to
see here enjoying the good things
of this favored state, can aid in
a splendid work now without
cost and very little effort. If
you think your friend would be
interested in knowing more
about Oregon and might eventu-
ally become a valuable citizen,
send his name and address to the
general passenger agent of the
Oregon Railway & Navigation
Company or to the Southern Pa-
cific at Portland, and a copy of
this special edition, with a com-
plete summary of the several
subjects treated, carefully in-
dexed, will be mailed to him
promptly. In this manner you
may be the means, not only of
doing your friend a good turn,
but of helping to stimulate the
growth and prosperity of Ore-
gon.

Don't forget that commencing
September 1st and continuing
daily for two months, tickets
will be on sale at almost every
railroad station in the East to
all points in Oregon and the
Northwest at what has come to
be popularly known as "colonist
rates." These rates are the
cheapest general long distance
rates ever established, and enable
one to reach Oregon from any
part of the United States at but
a trifle more than one cent a
mile. They are the greatest in-
centive to colonization and pro-
gressive home building of any
known agency, and if the rest-
less, dissatisfied resident of the
East is made to know before-
hand the advantages he can en-
joy here, the problem is solved,
and the star of empire will con-
tinue to move steadily west-
ward.

Now is the time to spread the
gospel of Oregon, so that it may
be heard and heeded by the time
the rates go into effect. Send
one name or two, or a dozen,
and you will be exerting a worthy
influence toward the upbuilding
of our state. Send them to your
nearest Southern Pacific agent
or to Wm. McMurray, General
Passenger Agent, Portland Ore-
gon.

The clouds have again lifted,
giving us "good old Oregon
summer time" once more. It
will make the farmers smile with
a prospect of getting their grain
garnered without getting wet.

N. P. Jensen, who has been do-
ing carpenter work in Portland
for the last nine months, took
a run out home on Thursday last
to visit home folks and eat
mother's cooking, returning Sun-
day evening. That's right, Neils,
come often for it makes mother's
heart glad to have her boys come
home.

A. J. Winters, of Portland, took
a run out in his automobile, on
Saturday evening to the J. L.
Davis farm to visit his father
and mother, who are there sick.
His wife and son accompanied
him. On Sunday morning with
the auto filled with relatives he
took a trip to the farm of O.
Rice, near Carlton, taking in
Newberg on his way back.

Mrs. C. Speake went home
with her brother, A. J. Winters
and family on Monday morning
for a few days visit in the city.

The Limit of Life.

The most eminent medical sci-
entists are unanimous in the con-
clusion that the generally accepted
limitation of human life is many
years below the attainment possible
with the advanced knowledge of
which the race is now possessed.
The critical period, that determines
its duration, seems to be between
50 and 60; the proper care of the
body during this decade cannot be
too strongly urged; carelessness
then being fatal to longevity. Na-
ture's best helper after 50 is Elec-
tric Bitters; the scientific tonic
medicine that revitalizes every or-
gan of the body. Guaranteed by F.
H. Caldwell & Co., druggist. 50c.

Cures Scleritis.

Rev. W. L. Riley, L. L. D.,

the first application giving me first
relief and the second entire relief.
I can give it unqualified recom-
mendation. 25c, 50c and \$1. Sold by

A GOOD DOCTOR will recommend BALLARD'S HOREHOUND SYRUP

Every cough weakens the lungs, lowers the
vitality, breaks down the tissues and leaves
the system in a weakened condition, causing
it to be more susceptible to the consumptive
germ. Ballard's Horehound Syrup will cure
the cough and strengthen the system.

The Children Like It.

Mrs. G. H. Runyon, Stanberry, Mo., writes: "I have
used your Ballard's Horehound Syrup and find it a very
useful medicine for coughs and colds, and in fact all lung
troubles. It is very pleasant to take, and we have no
trouble in inducing the children to take it. I recom-
mend it highly."

Don't wait until that cough develops into a more dan-
gerous malady. Save yourself and children many sick
spells and insure a long and healthy life.
