is far enough along to show that
it is to be one of the best in
town.

J. C. Duncan brought in some
very nice strawberries the first
of the week, grown without irri-
gation.

Senator F. H. Caldwell's new
residence on Sheridan street is
nearing completion and will soon
be ready for occupancy.

Rev. F. M. George was up from
Portland the first of the week
looking after the prune crop in
his orchard northwest of town.

Albert Wilson, the Portland
jeweler, came up on the train
Monday morning in company
with his family for a short visit.

his vacation season as letter car-

the graduating class of Pacific
College last year, who has been
traveling for the Rural Spirit,
owned by M. D. Wisdom, the
man of whiskers, spent Sunday
in town, leaving Monday for
Newport for a needed rest and
incidentally to ascertain what
the wild waves are saying during
vacation days. In his journeys
about the country in the interest
of his paper he finds time to
write some interesting articles
on stock raising and ranching in
the cow counties, which add
much to the value of the paper.
Few young men of his age have
a better knowledge of the points
that go to make up a good ani-
mal, especially a Short Horn of
blue blood, and he knows how
to write up a herd in an enter-
taining style that is appreciated
by his readers.

Health in the Canal Zone.

The high wages paid make it a
mighty temptation to our young
artisans to join the force of skilled
workmen needed to construct the
Panama Canal. Many are restrained
however by the fear of fevers and

those who have used Electric Bit-
ters, who go there without this fear,
well knowing they are safe from
malarious influence with Electric
Bitters on hand. Cures blood poison
too, biliousness, weakness and all
stomach, liver and kidney troubles.
