Friday morning for Eugene where
she will visit for three weeks with
her uncle H. A. Cox and family.

ing of October 31, in honor of
Mr. Shirley's birthday anniver-
sary.

the East Wednesday and is vis-

There will be a special meeting
of the Library Association Tues-
day evening, November 12, at
7:30 in the assembly room of the
public school at which Miss Mar-
vin, of the State Library Com-
mission, will be present to talk
on library matters. Everyone
who is interested in a public li-
brary for Newberg is especially
requested to be present.

C. F. Butler and daughter,
Miss Grace, were called to Port-
land last Friday occasioned by
the serious illness of the former's
daughter, Miss Maude, who has
been quite sick with pneumonia.
A card received Wednesday states
that she is considerably im-
proved, and a speedy recovery is
hoped for.

Tuesday night H. A. Grate's
mill was broken into and the
safe blown open. No money was
secured as nothing but books
and papers was left in the safe,
and the outside door was not
locked. Strong suspicion is held
as the tools left were all branded
"S. P. Co." No one would have
thought the present "money
flurry" would have caused these
people to take such hasty action,
but unless they can give an ac-
count of their whereabouts on
the above named night the evi-
dence seems very strong? No
arrests have been made.

A company from the Friends
church, both old and young, met
at the home of Jesse Edwards
Tuesday evening to organize a
class for the study of church his-
tory. Mrs. Elliott and Mrs. Ed-
wards gave a brief outline of the
plans which they as a committee
appointed for that purpose had
in mind. This elicited many
helpful suggestions from the com-
pany present. Dr. Morrison was
chosen president and Myrtle
Gause secretary. The committee
presented some books which they
had procured for the investiga-
tion of the class and a few were
ordered at once. At the request
of Mrs. Edwards Mrs. Elliott
read a very interesting and in-
structive article on "Quakers as
makers of America" written by
a Presbyterian minister. There
was much interest manifested
and we hope many more will
avail themselves of the oppor-
tunity. The class meetings will
be open to all who would be
interested in such study whether
members or not.

No Case of Pneumonia on Record

We do not know of a single in-
stance where a cough or cold re-
sulted in pneumonia or consump-
tion when Foley's Honey and Tar
had been taken. It cures coughs
and colds perfectly, so do not take
chances with some unknown prepa-
ration which may contain opiates,
which cause constipation, a condi-
tion that retards recovery from a
cold. Ask for Foley's Honey and
Tar and refuse any substitute of-
fered. For sale by F. H. Caldwell

A GOOD DOCTOR will recommend BALLARD'S HOREHOUND SYRUP

Every cough weakens the lungs, lowers the
vitality, breaks down the tissues and leaves
the system in a weakened condition, causing
it to be more susceptible to the consumptive
germ. Ballard's Horehound Syrup will cure
the cough and strengthen the system.

The Children Like it.

Mrs. C. H. Runyon, Stanberry, Mo., writes: "I have
used your Ballard's Horehound Syrup and find it a very
useful medicine for coughs and colds, and in fact all lung
troubles. It is very pleasant to take, and we have no
trouble in inducing the children to take it. I recom-
mend it highly."

Don't wait until that cough develops into a more dan-
gerous malady. Save yourself and children many sick
spells and insure a long and healthy life.
