Local Events.

W. B. Cory and wife arrived home from Wisconsin last Sunday, where they made an extended visit with relatives.

Mrs. W. B. Finley, of Morrow county, visited in town with Mrs. T. H. Thorne from Sunday until Wednesday morning.

Mrs. A. H. Pape, from Petaluma, California, has been visiting with her mother, Mrs. J. L. Davis on the farm in West Chehalis recently.

L. M. Parker, much to his dislike, is sojourning in Portland and doing jury duty in the United States court. L. M. is not built for a professional juror.

Miss Elizabeth Gordon, aged fifty-two, who had been an invalid for many years, died at the home of Mr. Hawley two miles northwest of town the first of the week.

Senator F. H. Caldwell arrived home on the train last Monday morning loaded down with big fat ducks. What a splendid opportunity for enlarging the circle of his immediate friends.

Mr. and Mrs. J. E. Todd, of Dayton, who had been in Portland attending the apple show, stopped off here and visited with I. E. Holt and family Saturday. Mr. Todd thinks the Willamette valley laid it across the other fellows in the apple display.

Rev. George C. Richey, pastor of the Christian church, desires the announcement made that special services of the church will be held during the month of February in Crater's hall. The announcement is made early in order to avoid conflict with other churches.

When the S. P. people complete the concrete walk on Main street to make the connection at the railroad crossing a "short felt want" will have been met. A few days ago the excavating was done and since the rains stopped work a lot of real estate has been carried away in sections by pedestrians.

W. E. Allison, who spent the harvesting season in Sherman county looking after the crop on his wheat ranch, says he is abundantly satisfied with the returns received from the crop. The yield was good and grain prices highly satisfactory and consequently he returned to his home in Newberg with a very comfortable feeling.

Report comes from Berkeley that in the annual university Freshman and Sophomore debate held last week the latter won. For the past six or eight years the Freshmen team has won without a break, and since W. C. Woodward had something to do in coaching the winning team this year, his Newberg friends will be pleased to hear of the victory.

The Pocatello, Idaho, Tribune makes favorable mention of the coming of Perry Macy to that city to take up work with the Y. M. C. A. The Pocatello association is to be congratulated on securing Mr. Macy for the work, for his Newberg friends have no doubts about his ability to make good. He may appear a little slow at the outset, but he has the every day staying qualities in his makeup that always tell in this kind of work.

Resolutions were passed to extend by letter, words of comfort and sympathy to Mrs. Cyrene Palmer in regard to her late sorrow in the death of her husband, Homer Palmer. Mrs. Addie Clough gave a full and very interesting report of the state convention at Eugene. After the business was over the hostess kindly served sandwiches, cake and tea and a very pleasant time was enjoyed by all. The next meeting will take place at the home of Mrs. H. B. Harford in December. Miss Davidson the elocutionist and W. C. T. U. organizer held meetings at the church Monday and Tuesday evenings.

Three Times Twins.

For the third time in three years twins were left by the stork Saturday in the cottage of John Totten, near Elm Park, on the Morning Star road, Port Richmond, New York. Great was the joy in the household, and the eleven other Totten children crowded in to welcome the latest arrivals.

"There's always room for two more," said the father, as he bent over the bed, and kissed the tiny cherubs. Pretty soon the neighbors came trooping in, and everybody congratulated the parents. Totten and his wife are each forty years old. They were born in Germany. For fifteen years Totten has worked in the Dean linseed oil factory at Port Richmond. The couple had fifteen children, but two are dead. Of those that live eight are boys and five are girls.
