Clark-Fuller.

On Thanksgiving day at one o'clock the marriage of J. Claude Clark, of Portland Y. M. C. A. and Miss Julia Fuller, took place at the home of the bride's parents, Mr. and Mrs. George W. Fuller, Corvallis.

The rooms were tastefully decorated in Oregon grape, ferns and white chrysanthemums.

"After a solo, "O, promise Me," by Miss Mabelle Keady, the bridal party entered to the strains of the "Wedding March" played by Miss Ethel Berman and were met by Rev. T. S. Handsaker, who performed the impressive ceremony.

The bride was winsome in a dainty gown of white albatross with veil, and carried white carnations. She was attended by Miss Hazel Raber as bridesmaid. Roy Clark, brother of the groom, was best man.

After congratulations had been offered by about thirty guests, a Thanksgiving dinner was served.

Mr. and Mrs. Clark left in the evening for Prineville, where they will spend a few days with the bride's sister, Mrs. John R. Howard and husband before going to their home in Portland where they will be at home to their many friends at 345 Eleventh street.

They were recipients of many beautiful and useful presents.

Both bride and groom are O. A. C. graduates, and the groom is the son of Mr. and Mrs. A. Clark, former residents of Newberg.

Notes from Portland.

The convention of the Oregon State Dairy Association December 12th and 13th, continues the most interesting subject of statewide importance. In fact its scope will be much wider than this state, and speakers from abroad include Professor B. D. White, of Washington, D. C., connected with the dairy department of the United States Bureau of Animal Industry; Joseph E. Wing, of Mechanicsburg, Ohio, an address on "The Dairy Cow at Home and Abroad;" H. L. Blanchard, of Hadlock, Washington, "Practical Dairy Suggestions." Appreciating that these addresses and discussions will be equally valuable to those interested in the dairy business in Washington, since conditions surrounding this great industry are identical in the two states, the Oregon Association has extended a most cordial invitation to creamerymen and farmers from Washington to attend the convention at Portland. A butter wrapper, one of the very latest appliances perfected, will be shown in the exhibit hall, and various dairy machines will be in actual operation with electricity as the motive power.

Though dairying is rather monopolizing public attention now, the apple growers of the state who have made such marvelous showings in their respective sections at the fruit fairs, and who later received such flattering comment through window displays in Portland's store windows, are planning an even greater success by combining next year in an event to be known as an "All Oregon Apple Show." They want to get in training for the great race at the Alaska-Yukon-Pacific Exposition in 1909.

Oregon people are thoroughly aroused by the great prize offer made by the Portland Commercial Club for articles on this state printed in papers outside of the Pacific Northwest, and are working to earn a share of the \$5000 in gold which is to be distributed in a series of eighty prizes, every one of which is worth the winning. The first is a small fortune of itself, \$1000; the second is \$500; and from \$250, \$200, and \$175 they range down to the last twenty at \$10 each. The very large number of prizes mean correspondingly liberal chances for contestants. There is no entrance fee, no red tape.

Here's Good Advice.

them for good twenty years ago."

Badly Mixed Up.

Abraham Brown, of Winterton,
New York, had a very remarkable
experience; he says: "Doctors got
badly mixed up over me; one said
heart disease; two called it kidney
trouble; the fourth, blood poison,
and the fifth stomach and liver
trouble; but none of them helped
me; so my wife advised trying
Electric Bitters, which are restoring
me to perfect health. One bottle
did me more good than all the five
doctors prescribed." Guaranteed
to cure blood poison, weakness and
all stomach, liver and kidney complaints,

A Real Wonderland.

South Dakota with its rich silver
mines, bonanza farms, wide ranges
and strange natural formations, is
a veritable wonderland. At Mound
City, in the home of Mrs. E. D.
Clapp, a wonderful case of healing
has lately occurred. Her son seemed
near death with lung and throat
trouble. "Exhausting coughing
spells occurred every five minutes,"
writes Mrs. Clapp, "when I began
giving Dr. King's New Discovery,
the great medicine, that saved his
life and completely cured him." Guaranteed
for coughs and colds,
throat and lung troubles, by F. H.
Caldwell & Co., druggist. 50c and

ard's Horehound Syrup taken at
the start will stop the cough. If it
has been running on for some time
the treatment will be longer, but
the cure is sure. Sold by Moore's
