Dr. Snapp has rented offices in
the new Union block.

Mrs. Elizabeth Cook will go
to Portland to remain during
the winter with relatives.

Miss Elida Norstrom, of Port-
land, is visiting with Mrs. Lizzie
Barrel at the home of the latter
west of town.

John Brown and wife came
down from Airline last week for a
visit with the latter's sister, Mrs.
G. W. Mitchell and other rela-
tives.

The Y. W. C. A. girls of the
college will hold a candy and col-
lege pennant sale in the front
room of the Graphic building on
Saturday.

On Friday night the college
basketball team will play the
McMinnville College team on the
home floor. McMinnville is said
to have a strong team this year
and a good game is looked for.

Stanley Harrold, who has been
working in the Honeyman Har-
ware store in Portland is at
home and will remain until trade
opens up again after the holi-
days. Some fifteen of the men
were laid off and he being one of
the new ones was naturally one
of the number.

Mrs. Emma Bell was in New-
berg on business a few days last
week. She had intended to re-
turn to her home here soon but
she has decided to return to her
claim near Sprague, Washington,
for a few months when she will
be able to prove up on it. She
will then return and improve her
property and remain here perma-
nently.

Miss Lelia Jordon, of Eugene,
state organizer of the Christian
Woman's Board of Missions of
the Christian church, will occupy
the pulpit at Crater's hall at 11
a. m. and 7:30 p. m., Sunday,
December 15th. Miss Jordon is
a very interesting speaker and
all who hear her will be well re-
paid. The public is cordially in-
vited. Geo. C. Ritchey, pastor.

Mrs. Elizabeth Miles, who cele-
brated her eightieth birthday
anniversary on last Friday, re-
ceived a message on Monday
from Whittier, California, inform-
ing her of the death of her twin
sister, Mrs. Mary Tebbetts, who
had not been in good health for
the past few years. The two
looked so much alike that it was
easy for people going from New-
berg to Southern California to
recognize Mrs. Tebbetts in a
crowd at church. Mrs. Miles is
in good health and is active and
well preserved for one of her age.

Mr. and Mrs. H. V. Meade
have been in town during the
week visiting at the home of M.
McDonald, Mrs. Meade and Mrs.
McDonald being sisters. Mr.
Meade is a printer by trade and
has worked as foreman in some
of the best print shops in the
valley. He learned to stick type
in the office of the Hillsboro In-
dependent twenty years ago but
his last job was with the Ob-
server at Dallas. He will go
south in a few days to look after
some property interests near
Redding, California, and con-
templates engaging in other busi-
ness.

George Dille, who was re-
leased from the insane hospital
at Salem some months ago and
who had been working about
town and apparently getting
along all right until recently,
was returned to the hospital on
Tuesday. Of late his actions
have been peculiar and since he
has been making dangerous
threats against some of our citi-
zens, complaint was made to the
authorities, and it was thought
best to return him to Salem.
Sheriff Corrigan came down from
McMinnville Tuesday morning
and took him away.

Attorney Vine Pierce was
down from McMinnville the first
of the week.

F. A. Elliott came home the
first of the week and he and his
family are preparing to start on
their visit to Illinois next week.

The regular monthly meeting
of the library association will be
held in the public school building
on next Monday evening at 7:30.

As the Graphic goes to press
the announcement comes to the
office of the death of W. R. Scott
and Dennis Ryan. Both had
been failing in health for several
months.

Samples of Spitzenberg, Bald-
win and Arkansas Black apples
were left at this office a few days
ago by Joseph Hall that for size,
color and quality, would hold
their own in any market in the
world.

A. P. Johnson was down from
Corvallis on business a day or
two last week. He returned
from a trip to Los Angeles re-
cently where he made a short
visit with his brother. He went
down with the O. A. C. football
team when they went to play
the Thanksgiving game.

The ladies aid society of the
Presbyterian church announce
a sale of Christmas articles, both
useful and ornamental, Friday
and Saturday, December 13th
and 14th, at the Opera House
building (lower floor.) In con-
nection there will also be held
a rummage sale. On Saturday
pies, cakes, candies, etc., will be
sold.

John Shires and wife left for
their former home in Illinois on
Tuesday on account of the ill-
ness of the latter's mother. A. J.
Palmer, who had expected to
start last week, went with them.
Charley Shires and family are
down from Meadow Lake and
will stay at the Shires home
north of town during the absence
of his parents.

J. W. Hobbs, of Eugene, was
in town Tuesday looking after
the interests of Uncle Sam in con-
nection with the revenue service.
Mr. Hobbs and the writer fished
for "cat" from the same "holes"
in "McCracken's creek" in Indi-
ana when boys, on days when it
was "too rainy to work" and it
was surprising what long dry
spells we had in those days.

Will Miles and Albert Pearson,
who went as delegates to the
big Y. M. C. A. convention held
at Albany last week, were given
time to make a report of the
work of the convention at the
opening of college Tuesday morn-
ing, and the boys sprung on the
students something of a surprise
by giving a full and exceedingly
interesting account, with the dry
details all cut out.

The public entertainments
billed for Friday and Saturday
nights of this week by the High
School will consist of programs
made up of vocal and instru-
mental music, hoop drills, recita-
tions, pantomimes, shadow pic-
tures, con songs—in fact suffi-
cient variety will be given to
please the public. Admission
fifteen cents for children and
twenty-five for others.

Mrs. W. W. Nelson has com-
pleted the enumeration of the
youngsters of school age in dis-
trict number twenty-nine, which
is the Newberg district, and the
number is 838, with almost an
equal number of males and fe-
males. Seven pairs of twins are
in the list. Here is evidence of
a healthy growth that can't be
gainsaid by rival districts in the
valley. Money and children talk.

S. C. Gockley has sold the west
part of the farm known as the
Sam Woodward place and lo-
cated a mile and a half north-
west of Newberg, containing one
hundred and thirty acres. The
price was \$100 per acre and the
purchaser was C. Marsh, of
Sheridan, who will take posses-
sion in about a week. Mr. Gock-
ley in stating that he would prob-
ably buy a smaller place, made
the significant remark that he
had noticed that the fellows who
were located on the smaller
places were making more money
than those who had larger farms.

Born to Mr. and Mrs. Herbert
Satchwell, on Friday, December
6, a son.

Ladies Aid Society of the M.
E. church will have a window
sale and a handkerchief sale Sat-
urday, December 14, at Hollings-
worth's furniture store.

Mrs. J. J. Woods and daughter,
Miss Ione, arrived home from an
extended visit with relatives in
Indiana a few days ago, report-
ing a very pleasant time.

At the last meeting of the
Wednesday club some very good
papers were read. Mrs. Harrold,
president, gave a sketch of the
time in which Milton lived and
Messdames Buchanan, McIntosh,
and Miles reviewed the poem,
"Paradise Lost." Quotations
from Milton were given by the
members in response to roll call.

At the home of Mr. and Mrs.
Dave Johnson, of Dundee, a re-
ception was given, Tuesday even-
ing, December 3, in honor of their
son Percy and bride nee Flossie
Dundas. The parlors were beau-
tifully decorated in green and
white. After congratulations,
the evening was spent in making
music and playing games. A
dainty lunch was served. Among
those present were: Mr. and
Mrs. J. D. Gordon, Mr. and Mrs.
Alex Fitzsimmons, Mr. and Mrs.
Jas. Dundas, Mr. and Mrs. Julius
Johnson, Mr. and Mrs. W. L.
Pratt, Mr. Fred Crawford, Misses
Gussie Crawford, Anna
Bliss, Lena Imus, Lottie and
Maggie Gibbon, Bessie Gibbon,
Jennie and Jessie Dundas, Mary
Oliphant, Ida Johnson, Messrs.
Harry Gordon, John Crosby,
Elmer Imus, John Clifford and
Frank Gibbon, Ezra Oliphant,
Ralph, Walter and Horace Tay-
lor and Warren Dundas.

A note was received a few days
ago from J. T. Rhoton, of Silver
Lake, saying Mrs. Rhoton was
in Portland with the baby hav-
ing an operation performed on
its feet by Drs. Littlefield &
Romig of Newberg. He also en-
closed clippings from the Silver
Lake, Central Oregonian which
show that many people are go-
ing into that country and among
the number are those who have
capital and who have been promi-
nent in affairs in their native
states. Among the items was
the following regarding two of
our citizens: "William Giles and
George Hobson, of Newberg,
Oregon, filed on homesteads in
26-14 Monday. Mr. Hobson
will remain here and work for P.
J. La Bric this winter. Mr. Giles
returned to Newberg, but will
return in the spring to make this
his home. He is pleased with
the outlook here and says he
likes the country much better
than he had expected."

College Wins First Game.

The college boys are feeling
good over the game of basket-
ball played on last Saturday
night on the home floor, when
they lined up against the Port-
land East Side Athletic team, the
score being 17 to 28 in their
favor.

At the beginning of a new year
when practically all the old, sea-
soned players are out of the
game and a team must be made
up of new material there is al-
ways a degree of uncertainty
about results that makes the
manager, as well as the players
feel nervous, but in this instance
Manager Harvey A. Wright is
to be congratulated over the re-
sults.

The game was a snappy one
from start to finish which made
it interesting for the crowd. On
Friday night of this week the
boys will play the McMinnville
team on the home floor and they
hope to have the same substan-
tial backing by our citizens that
they had at the first game. The
lineup was as follows:

E. S. A. A.	F	P. C.
Thayer	F	R. Mills
Sweeney	C	Rasmussen
Vincent	C	Hadlock
Bruce	G	F. Mills
Niebus	G	Hammer
	Thornton, Referee

preciate the humor of a practical
joke that comes at them point
first.
