## Golden Wedding Anniversary.

Mr. and Mrs. Joseph Rorabaugh celebrated the fiftieth anniversary of their marriage on last Tuesday at their residence in Newberg. The occasion was a most enjoyable one and a "feast of good things" was enjoyed by all present. The table linen used was a wedding gift to Mrs. Rorabaugh fifty years ago.

She was quite entertaining in her description of their wedding which occurred in West Virginia a half-century ago. Mrs. Hannah Schnelling of Missouri, the eldest of the seven children, and the only son, Dan, were unable to be present, otherwise the family reunion was a complete and happy one. One loved daughter passed to her heavenly home twenty-two years ago. The daughters present were, Mrs. Ira Heckinger, Portland; Mrs. Peter Buck, Selma; Mrs. Zena DeCamp, LaMar, Colorado and Mrs. Wm. Fortune Newberg. The anniversary dinner was a most delicious one, and was daintily served by two of the grand-daughters, the Misses Ethel and Nora Fortune.

A number of beautiful and useful gifts were presented by the children and friends of the "bride and groom" among which were a Haviland-china dinner set, an oak side-board, several pieces of silver, decorated china, pictures, etc. Mr. and Mrs. M. Motschenbacher called in the afternoon and presented the happy couple with appropriate gifts.

Those present were: Mr. and Mrs. Rorabaugh, Mr. and Mrs. Wm. Fortune, Mrs. Ira Heckinger, and her sons Ray and Arthur, Mrs. Peter Buck, Mrs. Zena DeCamp and two children, Misses Ethel and Nora Fortune, Mr. Edgar Burns, Roy and Ina Fortune, Mr. Hopkins and Mr. Walter Fortune. Mrs. J. M. C. Miller, a distant relative, living at Barton, Oregon, was also present.

## Jack London Among the Lepers.

On his way around the world for the Woman's Home Companion Jack London visited the lepers of Molokai, on the island of Hawaii.

"Leprosy is not so contagious as is imagined," writes Mr. London in the January Woman's Home Companion. "I went for a week's visit to the Settlement, and I took my wife along—all of which would have not happened had we had any apprehension of contracting the disease. Nor did we wear long gauntleted gloves and keep apart from the lepers. On the contrary, we mingled freely with them, and before we left
