and visible means of practical support is a good, substantial bank account. Once you have a good balance at your banker's, you do not care how things go, because you feel independent. And the only way to get a bank account is to save, and save, and acquire riches by patient thrift. We can help you do this by taking care of your savings and paying you a good interest thereon. Do not delay, but start saving at once.

A Christmas Jingle 1907.

Gathered round the festive board
On a rainy Christmas day,
Were young and old and middle aged
With minds so blithe and gay,
That troubles past were soon forgot
In friendship's genial ray.
In happy converse they recount
The joys of long ago,
And the magic walls of memories hallow
Delightful pictures show.
With kindly words and cheering smiles
Dull care is banished quite
And gleeful tales of childhood's pranks
They happily recite;
While James and Martha generously
Appease the appetite.
With chicken, goose and gravy too
Pie, cake and other relishes,
Honey, cream and sweet preserves
The spread so bright embellishes.
While Albert Hadley, cousin John,
William Pickett and son,
Henry Ebert, wife and girls
And the count is just begun.
William Vestal and his babe
His wife and little boys,
With Woods and wife join in the strife
Of keeping up the noise.
Such a day we had
Our hearts are glad
And we wish, some future time,
To feel such joy
Without alloy
And put it into rhyme.

Chehalum Center.

Mrs. H. B. Harford went to Portland Monday to visit Mr. and Mrs. Alden M. Chamberlain.

The Misses Nellie Paulsen and Elizabeth Kirk came home Friday evening to remain over Sunday with the home folks.

The revival meetings being held by our pastor, A. Holmes, and wife are very successful of late as there has been a general awakening and conversions of young folks and older ones.

On Wednesday of last week a number of the ladies gathered at the home of Mrs. H. B. Harford. Owing to the bad rain which prevailed there were not a great many present. However they were delightfully entertained. There will be a contest held in the near future, also memorial services in honor of Frances Willard. On the seventeenth of February the next meeting takes place at the home of Mrs. Rosa Ellis.

The Correct Time

To stop a cough or cold is just as soon as it starts—then there will be no danger of pneumonia or consumption. Just a few doses of Ballard's Horehound Syrup taken at the start will stop the cough. If it has been running on for some time the treatment will be longer, but the cure is sure. Sold by Moore's drug store.

A GOOD DOCTOR will recommend BALLARD'S HOREHOUND SYRUP

Every cough weakens the lungs, lowers the vitality, breaks down the tissues and leaves the system in a weakened condition, causing it to be more susceptible to the consumptive germ. Ballard's Horehound Syrup will cure the cough and strengthen the system.

The Children Like it.

Mrs. C. H. Runyon, Stanberry, Mo., writes: "I have used your Ballard's Horehound Syrup and find it a very useful medicine for coughs and colds, and in fact all lung troubles. It is very pleasant to take, and we have no trouble in inducing the children to take it. I recommend it highly."

Don't wait until that cough develops into a more dangerous malady. Save yourself and children many sick spells and insure a long and healthy life.
