Walter R. Miles who represented Earlham College in the state oratorical contest of Indiana, this year, was an easy winner. His many Newberg friends are highly gratified over his victory and the alumni of Pacific College have occasion to be particularly proud of the outcome as he is a member.

At the Friends quarterly meeting held last Saturday a subscription amounting to twenty dollars was raised to be paid in prizes in sums of ten, seven and three dollars to students of the college who will hold a contest in oratory at the annual meeting of the church in July, the orations to be on the subject of peace. Anyone who may desire to contribute to the fund may confer with Prof. F. K. Jones.

Col. S. F. Blythe, Dept. Commander of the G. A. R. whose home is at Hood River, was in town Tuesday night making a fraternal visit with the local post. The annual encampment will be held at Newport this year, the date being set for the latter part of June, and a good attendance is expected. Col. Blythe was for several years the owner and publisher of the Hood River Glacier, but he is now out of the newspaper business and is living quietly on his farm a short distance out from Hood River.

On Monday, February 10, a very pleasant family gathering occurred at the home of Mr. and Mrs. Benj. Heater at Springbrook, the occasion being Mr. Heater's eighty-seventh birthday. The day was spent in social chat enlivened by the frolics of the young folks, while at noon an excellent dinner was served. Mr. and Mrs. Heater are of that rapidly decreasing class of our population, the pioneers, they having crossed the plains to Oregon in 1850, settling on the claim which is still their home. Those helping Mr. Heater celebrate were his sons Albert, Ernest and Grant with their families, his daughter Mrs. Lizzie Winters and daughters, Mr. and Mrs. Noah Heater, Mrs. S. A. On last Saturday O. K. Edwards vacated his residence on Fifth street which he recently sold to Mrs. C. L. Hamilton, and on Monday W. H. Whitten removed from the second story of the Ehret brick to the property. It is understood that Mr. Edwards will reside in Portland. Newberg loses an energetic citizen and a fine family in the removal.

Word was received here this week from Indiana announcing the death of the brother of Miss Ella Macy, whom the latter returned to Indiana to nurse during his continued sickness. The many friends of Miss Macy in Newberg will be glad to learn that she was substantially remembered by her brother in a financial way, he being in very good circumstances at the time of his death. Her return to Newberg is expected at an early day.

The committee of the Yamhill County Young Men's Christian Association has called a convention to be held at McMinnville next Saturday and Sunday, when plans for the county work will be discussed. The first session will be held at ten o'clock, Saturday morning and further sessions will follow Saturday afternoon and at night, and Sunday will also be a full day. A good program has been prepared and a profitable convention is anticipated.

The temperance meeting held at Friends church on last Sunday afternoon was under the supervision of Mrs. Alice Hanson, of Portland, who is Friends quarterly meeting superintendent of temperance work. Rev. Elmer Pemberton of Scotts Mills was the principal speaker, while Miss Mildred Wills of Chehalis Center, read an instructive paper. Mr. Pemberton referred to the good work done in Yamhill county and urged the citizens to lend a helping hand to Marion county in their effort to dethrone the saloons. Two friends of Elmer Marr who reside in Oklahoma are here on a visit. They made a shipment of five hundred head of hogs from Oklahoma to San Francisco and came up this way to see the country. They say it is evident to them that times are much better here than in their country and the same report is brought by others who have recently come from east of the Rockies.

Pres. W. I. Kelsey arrived with his family from Indiana last Sunday morning and during the week they have been fitting up for housekeeping in the new cottage, recently completed by the Williams sisters, near the public school grounds on the north-east. Owing to the sudden and unexpected change in the financial situation throughout the country, he was unable to accomplish all he had hoped for for the college, but he received some assistance for present needs and he hopes for better results in the near future. He will take up work in the college and also continue his work as solicitor for the endowment.
