and visible means of practical support is a good, substantial bank account. Once you have a good balance at your banker's, you do not care how things go, because you feel independent. And the only way to get a bank account is to save, and save, and acquire riches by patient thrift. We can help you do this by taking care of your savings and paying you a good interest thereon. Do not delay, but start saving at once.

Dundee Social Item.

Thursday afternoon February 6, being the first wedding anniversary of Mrs. Elwyn McCormack, the ladies of the neighborhood took occasion to surprise her at her cozy new home "Rancho Prunilla." A delightful informal social afternoon was spent, and an elaborate two-course luncheon served. Those present were Mrs. A. D. McEwan, Mrs. C. I. Raker, Mrs. F. T. Keyes, Mrs. R. R. Robinson, Mrs. W. M. Hill, Mrs. H. B. Powell.

All went away wishing Mrs. McCormack many happy returns of the day, and that they might be able to spend each recurring anniversary with her.

Obituary.

Mrs. Anna High, whose death occurred at Salem on January 31, was born near Willamina, June 6, 1870, being the youngest daughter of Chas. E. and Amanda Fendall, early pioneers of this county. She was married to Martin M. High, on November 8, 1891. Two children were born to them, Allena M. and Rexford E., both of whom survive her. She leaves beside her children, her mother, one sister and six brothers, and a large circle of relatives and friends, both in this county and in Salem, where the last ten years of her life was spent, to mourn her untimely end.

Character is the fruitage of daily choice.

Simple Remedy for La Grippe.

La grippe coughs are dangerous as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough but heals and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package. Refuse substitutes. For sale by C. F. Moore.

The Correct Time

To stop a cough or cold is just as soon as it starts—then there will be no danger of pneumonia or consumption. Just a few doses of Ballard's Horehound Syrup taken at the start will stop the cough. If it has been running on for some time the treatment will be longer, but the cure is sure. Sold by Moore's drug store.
