DOINGS OF THE SIXTIETH CONGRESS

Saturday, February 22.

Washington, Feb. 22.—In the presence of many senators and a large gathering in the galeries, Senator Porter McCumber, of North Dakota, today read the farewell address of Washington.

The Indian appropriation bill, which was reported to the senate today, carries $9,825,820, an increase of $1,610,128 over the total appropriations made by the bill as it was passed by the house.

The nomination of Louis A. Coolidge, of Massachusetts, to be an assistant secretary of the treasury, was ordered reported favorably by the senate committee on finance.

Washington, Feb. 22.—The race question came to the surface in the house today when Heflin, Alabama, offered an amendment to the District of Columbia street railway trackage bill, providing for "Jim Crow" cars. Heflin declared that separate coaches for the whites and blacks had solved the race problem in Alabama and he expressed the opinion that such an arrangement would solve it in Washington.

The amendment was defeated, 140 to 59.

The bill was passed. It provides universal transfers on the basis of cash fares or six tickets for 25 cents. It also provides for street railway facilities from all parts of Washington to the new union station.

Friday, February 21.

Washington, Feb. 21.—Senator Heyburn and Representative French, of Idaho, today introduced in the senate and house the bill prepared by Idaho sheepmen amending the 28-hour law, by providing that railroad trains containing ten or more cars of livestock going from one state to another shall maintain an average minimum speed of 16 miles per hour from the time the stock is loaded onto cars until the destination is reached, deducting reasonable time for stops made for feed and water. The bill provides a fine of $100 to $500 for failure to maintain this speed.

An amendment to the postoffice appropriation bill was introduced today by Senator Foraker.

Seven Filipinos may receive instruction in the United States military academy, according to a bill passed by the senate today.

Washington, Feb. 21.—The time of the house of representatives today was devoted to consideration of what is known as the District of Columbia railway franchise—that is, the bill providing for extension of streetcar lines to the new union station. The subject of universal streetcar transfers in Washington elecited special attention and no disposition was manifested to amend the provision except to strengthen it. Tomorrow also will be given over to District of Columbia business.

Thursday, February 20.

Washington, Feb. 20.—Because of the death in this city today of Senator Latimer, of South Carolina, both branches of congress adjourned, the senate almost immediately after convening and the house an hour afterward upon receiving official notice of the senator's death. In each chamber resolutions of regret were adopted and a committee appointed to accompany the body home.

Most of the time the house was in session was consumed in the reading of impeachment charges offered by Mr. Waldo, of New York, against Federal Judge Lebbeus R. Wilfley, of the United States court at Shanghai, China, which were referred to the committee on judiciary.

Chaplain Hale, in his prayer opening the senate, referred feelingly to the death of Senator Latimer.

The immigration committee, of which Mr. Latimer was a member, also adopted resolutions of regret.

Wednesday, February 19.

Washington, Feb. 19.—Senator Borah, of Idaho, dropped a bomb in the United States senate when he proposed to amend the existing law by providing that United States senators and representatives in congress should not be permitted to act as paid attorneys in any Federal court in cases in which the United States government is interested directly or indirectly. The senate was droning along, considering the Heyburn bill to revise and codify the Federal statutes, when it reached that provision under which United States Senators Burton and Mitchell had been indicted and convicted. It was here that the junior Idaho senator unexpectedly proposed his amendment.

The senate in executive session today ratified the arbitration convention between the United States and France, which was signed on February 10. A naturalization treaty between the United States and Peru also was ratified.

Senator Knox introduced a bill providing for a system of postal savings banks.

Washington, Feb. 19.—The bill providing for the taking of the thirteenth census occupied most of the time of the session of the house today. Progress with it was slow because of numerous amendments offered, which in the main were rejected. The bill was amended in one important particular, however, and that was limiting the census to the mainland of the United States, Alaska, Hawaii and Porto Rico.

Previous to the consideration of the census bill, Henry, of Texas, taking his cue from Boutell's remarks of yesterday lauding the speaker, urged the Republicans to bring in an employers liability bill and a bill requiring notice before the issuance of Federal indictments.

A petition for the impeachment of Judge L. R. Wilfley, of Shanghai, judge of the United States court for China, was presented to the house.

Tuesday, February 18.

Washington, Feb. 18.—The Aldrich currency bill was opposed in the senate today by Stone, of Missouri. During Stone's argument in advocacy of the plan for government guarantees of deposits in National banks Bacon, of Georgia, took occasion to oppose that proposition at some length. Bacon declared that, if such a plan were put into effect, state banks would be put out of business, as their deposits would find their way into National banks.

The bill to revise the criminal code of the United States was considered during a couple of hours in the afternoon.

Washington, Feb. 18.—Speaker Cannon's presidential boom received marked impetus in the house of representatives today when Boutell, his colleague from Illinois, brought the subject to the fore as the climax of a half hour's speech. His remarks were based on the fact that today was the 34th anniversary of Cannon's first speech in the house.

Boutell spoke with enthusiasm, and when he closed with the remark that within the next two months "the plain people of the country would join the voters of Cannon's district in conferring upon him the nation's final honor," the speaker was given a great demonstration.

Keen disappointment was felt on all sides when the speaker made no reply. He stepped from the rostrum and amid cheering retired to his room while the house considered pension bills.

Most of the day was taken up by a discussion of the bill to provide for taking the next census. Its consideration had not been concluded when the house adjourned.

Monday, February 17.

Washington, Feb. 17.—After a brief legislative session today the senate ordered the doors closed and for several hours discussed the Witherspoon nomination. During the executive session an agreement was reached to consider the ocean mail subsidy bill on Wednesday, and Stone, of Missouri, announced that he would speak on the Aldrich currency bill tomorrow. An amendment to the mail subsidy bill was introduced by Lodge, which authorizes the postmaster general to contract for carrying ocean mail in vessels of the third class and to pay a subsidy of $2 per outward mile on voyages of 4,000 miles or more.

An amendment to the Aldrich currency bill was introduced by Stone.

Washington, Feb. 17.—The legislative, executive and judicial appropriation bill, one of the largest supply measures of the government, was passed by the house today after several hours' discussion. The amount carried is practically as reported by the committee, $32,336,573. Macon, of Arkansas, continued his policy of attacking all increases in salaries and they were accordingly rejected on points of order by him.

There was a lively debate over the provision giving discretion to heads of departments to remove or reduce incapacitated employes. A provision was adopted that incapables should not draw pay.

Representative Hughes introduced an amendment to the Sherman anti-trust law remedying defects affecting labor agreements.

State Line Not Marked.

Washington, Feb. 18.—If the house of representatives acts favorably on Senator Heyburn's bill, recently passed by the senate, a nice fat surveying contract will be awarded early in the coming summer to some man who wants to remark the boundary line between Idaho and Washington. The senator's bill appropriates $25,000 to defray the expense of resurveying this line, which was originally laid off in 1874. It has been known for some time that the line has not been completely marked and does not conform with the boundary prescribed in the statutes.

Senator Clay Ill.

Washington, Feb. 18.—Senator Alexander S. Clay, of Georgia, is ill with an attack of acute indigestion at his apartments in this city.

Lease Lands for 15 Years.

Washington, Feb. 19.—The house committee on territories today favorably reported a bill limiting the duration of leasing of agricultural lands in Hawaii to 15 years. The committee also favorably reported a bill authorizing the payment of Hawaiian postal savings bank deposits. When the territory of Hawaii was created the affairs of Hawaiian postal savings banks were wound up with the proviso that the depositors be paid by the United States.

"SPIRIT OF THE GOLDEN WEST"

All Oregon Represented by Floats Indicative of Its Resources.

Portland's great annual institution, the Rose Festival, which was inaugurated last June under such auspicious circumstraces, will, this coming June, be consummated on a scale so broad and grand that it will have a general appeal to the whole state of Oregon, and an individual appeal to every community in the commonwealth. The grand jubilee, which will be one round of pleasure for the whole week beginning Monday, June 1, and ending in a blaze of glory the following Saturday night, is not for Portland or Portland people alone.

One of its most spectacular and brilliant features is to be the magnificent street pageant. This is a competitive event open to all cities and towns of Oregon outside of the Rose City. There will be grand prizes, the capital prize being a princely sum in cash with a number of costly souvenir cups and other trophies of great value and beauty.

Up to the present time about 20 cities and towns of Oregon have been heard from, each showing great interest in the special state parade, and several of these towns, through their business organizations and "boosting" clubs, have sent representatives to this city to confer with the Festival management with reference to character of the floats which will make the most effective showing for their communities.

The Festival association has secured the services of a master float builder from the East, who is now here with a corps of assistants ready to advise with all who desire to enter the lists.

The railroads of Oregon, and the whole West, in fact, are planning to give special reduced rates on all lines, good for the whole week of the Festival. Special low rates from Portland to all points in Oregon.

Every town in Oregon is invited to enter some characteristic float in the "All Oregon" parade, and the Festival association invites correspondence and personal conference with cities and towns, large and small, in this all important matter.

Publications for Farmers.

The following publications of interest to farmers and others have been issued by the Agricultural department of the Federal government and will be furnished free, so long as they are available, except where otherwise noted, upon application to the Superintendent of Documents, Government Printing Office, Washington, D. C.:

Bulletin No. 119.—Report of Irrigation Investigations for 1901, under direction of Elwood Mead, chief of Irrigation investigations. Pp. 401, pls. 54, figs. 12. Price 50 cents. This is the third of the annual reports of the irrigation investigations of this office. It deals chiefly with the duty of water, but contains also reports from four stations in the humid states, where irrigation is not a necessity, but a means of increasing the returns from farm lands; a report on the underground water supply of the San Bernardino valley California, and the second progress report on silt measurements.

Bulletin No. 86.—The Use of Water in Irrigation. Report of investigations made in 1899, under the superpision of Elwood Mead, expert in charge, and C. T. Johnston, assistant. Pp. 263, pls. 50, figs. 18. Price 30 cents. This bulletin explains the methods in use in the arid states in the distribution and use of water in irrigation. It gives a large number of measurements made to determine the duty of water and the losses by seepage and evaporation from canals, and discusses the methods by which the water supply may be more effectively and economically utilized in the production of crops.

Bulletin No. 104.—Report of Irrigation Investigations for 1900, under supervision of Elwood Mead, expert in charge of irrigation investigations. Pp. 334, pls. 25, figs. 29. Price 50 cents. This report covers the second year of investigations relating especially to the duty of water. The reports of the field agents contain also a large amount of information on laws and customs, agricultural methods, crop returns and other subjects related to irrigation. A progress report on the quantities of silt carried by a number of southern rivers is also contained in this volume.

Idaho Corn Show.

On the 2d, 3d and 4th of December, 1903, there will be held at Moscow a state corn show under the management of the Idaho Agronomy association. Not only will there be a show, but also a rousing program, which in itself would pay the farmer to come to Moscow. The subject of corn will be taken up and discussed from a practical and scientific point of view; the soil will be considered in its different phases; irrigation and dry farming will be talked about and the various live stock, dairy and horticultural subjects will be considered.

There will be some good premiums offered to the winners of the show. Now is the time to begin preparing by planting some good corn and getting in line.

Tell your neighbors about it.

Do not forget the date. Mark those days on your calendar and plan to come.

For further information address, R. E. Hyslop, Superintendent Idaho Agronomy Association, Moscow, Idaho.

Preserves.

Make a syrup of five pounds sugar and two cups water; boil until clear. Wash, stem and seed one gallon cherries, drop in the syrup and boil thirty minutes; skim well. Fill air-tight jars, seal and put in a cool place.

To Clean a Steel Knife.

Cut an Irish potato in half, dip one of the pieces in the brickdust which is generally used for cleaning knives. Rub the blade of the knife and the stain will immediately disappear.

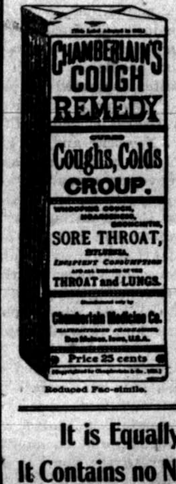
When You Have a Bad Cold



Reduced Fac-simile.

You want a remedy that will not only give quick relief but effect a permanent cure.

You want a remedy that will relieve the lungs and keep expectoration easy.

You want a remedy that will counteract any tendency toward pneumonia.

You want a remedy that is pleasant and safe to take.

Chamberlain's Cough Remedy meets all of these requirements, and for the speedy and permanent cure of bad colds stands without a peer.

A Severe Cold Quickly Cured by Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used."

ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate

Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation.

Orino Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

Constipation.

Orino Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different.

Orino Laxative Fruit syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Biliousness and Sick Headache.

Take Orino Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion.

Orino Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. **Refuse substitutes.**

OUR GUARANTEE Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.
