Do not delay, but start saving at once.

Obituary.

Chancy Grames, born in Michigan, died in Newberg March 4, 1908, at the age of 58 years. In 1851 he removed with his parents to Iowa and in 1864 they crossed the plains and located in Oregon.

Deceased resided for a number of years at Salem, but for the past twenty-three years he has been a resident of Yamhill County and the last eight years of his life he spent in Newberg, the greater part of the time being engaged in the livery business.

His parents died some years ago and those left to mourn his loss are a sister, Mrs. M. A. Laman, who resides in Portland, and three brothers, Edwin, of Portland, Robert, who lives in Missouri, and Levi M., of Newberg. Besides these are many relatives and a large number of warm friends in Newberg and vicinity who held him in high esteem.

Funeral services were held at the Dundee church, conducted by Rev. Geo. C. Ritchey, pastor of the Christian church at Newberg. Interment in the Dundee cemetery. CLASSMATE.

Big Booster Meeting.

On Tuesday night Wm. Bettle Wells, representing the publicity department of the Harriman lines, spoke in Duncan's hall, when he outlined some new policies of the department in inaugurating a mammoth scheme for advertising the different sections of Oregon, and especially dwelt on an effort that is being made to publish to the world the advantages offered to homeseekers in Yamhill county.

The proposition was heartily endorsed by the audience and that Newberg is to co-operate in the scheme goes without saying. The proposition is a good one, the details of which will not be outlined here as it has been decided to hold a big booster's meeting on Tuesday afternoon of next week when it will all be gone over again.

Good speakers will be present, the band will be out and the business houses will be closed during the afternoon while every body will turn out and help make this the greatest publicity meeting ever held in the valley.

People from the country are specially invited to leave their work and join in. Bring the whole family and help to swell the numbers that will be present.

A. M. Mauritzen showed up in town this week after an absence of several years from Newberg. He is now living at Vancouver, Wash.

A good crowd of boosters is expected to go to Monmouth Friday night to support Harry Maxfield, who will represent Pacific College in the oratorical contest.

How Cough Germs Multiply.

When you have a cold the mucous membrane is inflamed and the disease germs which you breathe find lodgement and multiply, especially the pneumonia germ. Foley's Honey and Tar soothes and heals the inflamed air passage, stops the cough and expels the cold from your system. Refuse substitutes. C. F. Moore.

The Feminine Observer.

A friend in need always has a hardluck story on tap. It takes a lot of luck to push a man up hill.

Success is often the result of a onecard draw in the game of life. People should at least make a bluff at believing everything they say.

A woman fears nothing if she knows she is well dressed.

However, the early boom does not always catch the nomination. A man can get used to anything except the fool actions of his relatives.

Borrow trouble and it will take a life time to pay it back.

The average man wastes too much time feeling sorry for himself.

There are times when a pint of wit goes farther than a gallons of wisdom.

Justice has contracted the habit of siding with the man who wins in the fight.

A few beats of a warm heart will overcome the throbbing of a cold and calculating brain.

Too many of us consider only those persons good from whom we can get the most for the least.

It is usually the case that you can tell more about a question when you only hear one side of it.

Every man has a right to his own opinion, but the trouble is he isn't satisfied to keep it to himself.

When a man leaves the other fellow's side and comes over to your side you do not call him a "deserter."

A woman ought to know that it is a test of love when she asks her husband to button her dress in the back.

A bachelor doesn't consider a girl baby worth kissing until she is sweet sixteen.

After a man has lived in one neighborhood forty years you can not tell him anything.

There is not happiness in great riches because the joy of pay day is lacking.

Every man wastes enough time to enable him to master that which he most desires to know, if it were not wasted.

If a boy and girl cannot get along without quarrelling before they are married, they will not do so afterwards. The peace envoys were not tied together.

Its about all some people can do to keep from being done.
