Something to "Lean On"

and visible means of practical support is a good, substantial bank account. Once you have a good balance at your banker's, you do not care how things go, because you feel independent. And the only way to get a bank account is to save, and save, and acquire riches by patient thrift. We can help you do this by taking care of your savings and paying you a good interest thereon. Do not delay, but start saving at once.

How Cough Germs Multiply.

When you have a cold the mu-
 cous membrane is inflamed and
 the disease germs which you breathe
 find lodgement and multiply, espe-
 cially the pneumonia germ. Foley's
 Honey and Tar soothes and
 heals the inflamed air passage, stops
 the cough and expels the cold from
 your system. Refuse substitutes.
