stantial bank account. Once you have a good balance
at your banker's, you do not care how things go, be-
cause you feel independent. And the only way to get
a bank account is to save, and save, and acquire riches
by patient thrift. We can help you do this by taking
care of your savings and paying you a good interest
thereon. Do not delay, but start saving at once.

Carthage, Indiana, and R. B.
Henley, a wholesale grocer from
Cincinnati, twin brothers, with
their wives spent last Sunday
and Monday in town visiting
with L. M. Parker and other In-
diana people. They spoke highly
of the great Northwest and said
they thought it was the place for
young men to locate.

A big athletic meet of the
High Schools of the county is
billed for May 16 which will be
held on the college campus in
Newberg, and the largest crowd
ever gathered in the county for
such an event is expected. Two
carloads of youngsters and their
friends are expected from La-
Fayette alone and much enthusi-
asm is being bottled up at other
points. McMinnville, Dayton, La-
Fayette and Newberg will have
teams on the field and probably
other points will send teams.
Dayton and La Fayette are al-
ready claiming that the top
notch will lay between those
two schools, so the boys say,
but of course the unexpected
happens occasionally.

Obituary.

Frank M. Haskin was born in
the year of our Lord 1868, in
the state of Ohio. Came to Ore-
gon with his parents in 1879 and
has been a resident of some part
of the state since then. He was
an upright, generous citizen,
never turning a deaf ear to a call
from the needy. He lived a self-
sacrificing life, but being of a re-
tiring disposition, preferred that
the right hand know not the do-
ings of the left. He died March
25th, 1908, and leaves a widow
and two sons, Dale M. aged
eighteen years and Frank L.
aged sixteen, also an aged moth-
er to mourn his loss. Funeral
services were held in the M. E.
church conducted by the pastor,
C. L. Hamilton.

And a wise man never tells a
woman with a baby how pretty
some other woman's baby is.

How Cough Germs Multiply.

When you have a cold the mucous
membrane is inflamed and the
disease germs which you breathe
find lodgement and multiply, espe-
