and visible means of practical support is a good, substantial bank account. Once you have a good balance at your banker's, you do not care how things go, because you feel independent. And the only way to get a bank account is to save, and save, and acquire riches by patient thrift. We can help you do this by taking care of your savings and paying you a good interest thereon. Do not delay, but start saving at once.

W. C. T. U. County Institute.

The Institute held by the Yam-
hill County W. C. T. U. the 9th
and 10th was a successful one.
The addresses given by Mrs.
Henrietta Brown, State Presi-
dent, and Helen D. Harford, Na-
tional Supt. Christian Citizen-
ship were full of facts along tem-
perance lines which everyone
ought to know and all who
failed to hear them missed a
great deal. Many helpful ideas
were gained from the day ses-
sions on the topics Tithing, W.
C. T. U. Phrases, Literature,
Sabbath Observance, Unity
Which Ought to Exist Between
the Church and W. C. T. U., and
Physical Culture. Those who
participated for the silver medal
were Hazel Kirk, Susie Brouil-
lette, Gladys Hannon, of New-
berg, Anna Tangen, of Chehalem
Center, the last named receiving
the medal. All did well and
were presented with booklets of
"Frances E. Willard."

Special music was rendered
in a pleasing way. Our County
President, Miss Edith Minchin
filled in, while the judges were
out, with a fine recitation. The
lunch at noon was an enjoyable
time and the Institute was a
success.

MARY E. C. SCOTT,
Press Superintendent.

How Cough Germs Multiply.

When you have a cold the mu-
cous membrane is inflamed and the
disease germs which you breathe
find lodgement and multiply, espe-
cially the pneumonia germ. Fol-
ley's Honey and Tar soothes and
heals the inflamed air passage, stops
the cough and expels the cold from
your system. Refuse substitutes,
