

# PROCEEDINGS OF CONGRESS IN BRIEF

MOBS RULE CLEVELAND.

Shot Down Cannon and Burglars—Little Girl Killed.

Cleveland, O., May 20.—The most serious violence of the street car strike which has been on here since Sunday, occurred in Lakewood, a suburb, last night, when four men were wounded with bullets, one car burned and another partially wrecked.

Trouble had been anticipated, and the fire car to Olmsted carried no passengers. When it stopped before a railway bridge, a crowd which had been lying in wait, jumped from hiding places and opened fire on the crew and guards. Guards W. G. Barnes and John Swanto returned the fire, more than 30 shots being exchanged.

While the shooting was in progress the crowd grew to nearly a thousand. Another car arrived and its crew joined in the fight. Gasoline was poured on the tracks. The Cleveland police were summoned, and of officers related with bullets and whippers broken, proceeded to the scene.

An earlier disturbance occurred in the downtown district, when Yetta Workman, a little girl, was killed by a car while attempting to cross the street. As soon as he realized what had occurred, the motorist speeded the car several blocks ahead, where the police were notified. The conductor then left the car and sought refuge in a nearby drug store. A crowd attempted to reach him, while others attempted to catch the fleeing car. The police arrested just in time to save the conductor, but "young him," was yelling, "I'll get 'em."

The strike arbitrators took up the task of endeavoring to effect a reconciliation between the strikers and the Municipal traction company early last night, and remained in session several hours.

The steamship lines and the electric and steam roads running into Tacoma are preparing to handle immense crowds. Most of the cities and towns adjacent to Tacoma are preparing to meet, and members of the Grand Army of the Republic, mill workers and other organized organizations of this and adjoining cities will from the hotelkeeping in paying honor to the dead of two years in a memorial parade that will be without parallel in the history of the Northwest.

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them.  If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

**How to Find Out.**  
 You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

**G. B. Burhans Testifies After Four Years.**  
 G. B. Burhans of Carlisle Center, N. Y., writes:  
 "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and I heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
