One of our young men, says an exchange, was out driving the other evening with his best girl. The conversation turned to fortune telling, he asked her if she believed in palmistry. She looked up demurely and naively said, "well I don't know but I think I could foretell more pleasure if I could see the lines in one of your hands." The young fellow was slow to comprehend her meaning until at least two miles was traversed when a great light broke upon him and an expansive smile illuminated his features. He took the lines in one hand and grasped the situation.
