Columbus Mackie, a well known resident of the community, who had long been in poor health, died at his home just east of Newberg on Wednesday afternoon at 4:30. In his death he leaves a wife and one daughter, Miss Elsie Mackie. Funeral services will be held at the home on Friday morning at 10 o'clock.

The latest railroad talk, which seems to be well founded, is that a Newberg passenger train is to be put on the run between here and Portland. It will probably leave here at six o'clock in the morning and return about noon. And in the afternoon leave Newberg probably at one o'clock and return late in the evening. The passenger crews are figuring on who shall have the new run and it is stated that the train will be put into service at an early day. Better service always stimulates travel and with the new schedule Newberg will be pretty well fixed for train service to and from the city.
